Candidates' Statement of Qualifications

Candidate Statement of Charles M. Perl

My occupation is Budget Director, San Francisco International Airport

My qualifications are:

My eight years of experience as the Airport's Budget Director, Deputy Director in the Mayor's Budget Office and Budget Manager for the City of Palo Alto—along with degrees in both Business and Public Administration—will help HSS negotiate better health plans and affordable co-payments for you. As the economy weakens, this experience will be needed to help balance the budget fairly for plan members.

I will provide a fresh perspective on the Board, as many plan members continue to be concerned with rising health care costs and reduction of plan choices. As my opponent has spent 20 years on this Board, change is needed now to assure:

- Health plans remain affordable, comprehensive and up-to-date for all of us.
- A variety of health plan choices remain offered throughout your career and into retirement.
- Appropriate policies are established to ensure medical records privacy and guarantee portability of retirement coverage.
- Your voice is heard at the Board.

For additional information go to www.Perl2008.blogspot.com or email CharlesPerlHSS@gmail.com New ideas and approaches are needed now to protect your benefits! Thank you for your vote and trust.

I've successfully worked to:

- Restore HSS to an independent department providing quality customer service to all members.
- Maintain affordable premiums—under national trends—and retain benefits.
- Enhance vision and dental benefits.
