RESOLVED, That the Board of Supervisors declares as follows:

Section 1. Pursuant to Section 36621(a) of the Law and Article 15, the Board of Supervisors declares its intention to form a property and business improvement district to be designated as the "Moscone Expansion District " ("MED" or "District"), and to levy and collect and enforce assessments against all defined hotel businesses in the District, for a period of 32 years from the Commencement Date.

Section 2. **Boundaries and Zones.** The exterior boundaries of the District and the Zones within the District are as set forth in the map contained in the Management District Plan dated September 25, 2012 as updated November 14, 2012, on file with the Clerk of the Board of Supervisors in File No. 120989, which is hereby declared to be a part of this Resolution as if set forth fully herein; the exterior boundaries of the District, and the Zones within the District, are described as follows:

- The District includes all hotels generating revenue from tourist rooms that operate in the City and County of San Francisco during the term of the District, and so the

BOARD OF SUPERVISORS
exterior boundaries of the District are the same as the contiguous boundary of the municipal corporation City and County of San Francisco.

- These hotels are divided into two zones -- Zone 1 and Zone 2:
  - Zone 1 includes all tourist hotels with addresses on or east of Van Ness Avenue, on or east of South Van Ness Avenue, and on or north of 16th Street from South Van Ness to the Bay, including all tourist hotels east of Van Ness Avenue as if it continued north to the Bay, and north of 16th Street as if it continued east to the Bay.
  - Zone 2 includes all tourist hotels with addresses west of Van Ness Avenue and South Van Ness Avenue, and all tourist hotels south of 16th Street.

Reference should be made to the detailed map and the description and list of businesses in the Management District Plan, in order to determine which hotels are in which zone.

Section 3. **Activities, Improvements, and District Management.**

A. The proposed activities and improvements for the District include several components:

- Planning, design, engineering, entitlement, construction, project management and related services for expansion of the Moscone Convention Center, including related payments for any bond, financing lease (including certificates of participation) or similar obligations of the City. The proposed Project improvements are estimated to cost up to $500 million.

- Funding of a Moscone Convention Center Incentive Fund, which will be used to attract significant meetings, tradeshows and conventions to San Francisco via offset of rental costs.
Funding of a Moscone Convention Center Sales & Marketing Fund to provide increased funding for sales and marketing of convention business, with a focus on generating increased revenues for hotels that pay the assessment.

Funding of capital improvements and renovations a Capital Improvements and Renovations Fund, including a capital reserve fund to cover funding for future upgrades, expansion, renovation, and capital improvements to the Moscone Convention Center.

Allocation of funds to pay for District formation, operation and administration, and to establish and maintain a contingency reserve.

Funding of expenses for additional development and implementation of future phases of the expansion Master Plan, if there are funds available in excess of those needed for Phase One.

B. The District will be managed by the San Francisco Tourism Improvement District Management Corporation, a 501(c)(6) non-profit corporation (SFTIDMC), the same organization that manages the San Francisco Tourism Improvement District (TID). The California Property and Business Improvement District Law of 1994 (Streets and Highways Code §§36600 et seq.), provides that such owners’ association may manage the District.

Section 4. Financing. It is anticipated that in connection with financing all or a portion of the District’s activities and improvements, the City will issue, or cause to be executed, bonds, financing lease (including certificates of participation) or similar obligations (collectively, “Bonds”), and that District funds will be used in furtherance of repayment of those obligations; it is expected that the first bonds or other debt will be issued in 2016 2017 to fund such expansion-related activities and improvements.
A. The District will partially fund the repayment of the Bonds, and City contributions will partially fund repayment of the Bonds.

B. Subject to approval of the Board of Supervisors, the City will commit the following towards repayment of Bonds issued in connection with this estimated $500 million Project:

- Contribution of $8.2 million in fiscal year 2019 with an increase of 3% per year through fiscal year 2028 up to a cap of $10.7 million, with a continuing contribution of no less than $10.7 million per year for the remainder of the term of the District (the City’s “Base Contribution”).

- In addition, the City will fund shortfalls in any given year for purposes of debt service, which will be repaid from surpluses in MED assessments, as detailed in the Management District Plan.

- For purposes of this Project, “shortfall” means a fiscal year’s debt service not covered by (i) the MED allocation to debt, plus (ii) the City’s $8.2 million - $10.7 million contribution.

C. The City will collect MED revenues from hotels, withhold funds from those revenues allocated to Development Activities in the Plan necessary to pay debt service, fund the Stabilization Fund and Sinking Fund, fund repayment of the City’s contribution toward shortfall in debt service costs from prior years, and transfer to the MED the portion of revenue per the allocation outlined in the Management District Plan.

D. For purposes of this plan, “Surpluses” mean any excess MED revenue allocated to Development Activities in the Plan that are not needed to fund the MED contributions toward debt service, i.e., excluding the City Contribution toward debt service. Surpluses shall be applied as follows:

- To fund a Stabilization Fund of up to $15,000,000, to be drawn upon in any year when lower than expected MED collections cause MED’s contributions
toward debt service to be lower than the sum set forth in cash flow projections
with respect to the debt service for the Project:

- To fund a Sinking Fund in an amount equal to annual debt service beyond
  expiration of the District term less City Contribution;

- To the City as repayment for the City's contribution toward shortfall in debt
  service costs from prior years, i.e., City contributions, if any, in excess of the
  City's Base Contribution as outlined above;

- To the MED to fund future development, expansion, renovation, and capital
  improvements to the Moscone Center Campus.

E. As confirmed in the Management District Plan, the City owns the existing Moscone
Convention Center, and will also own the expanded Moscone Convention facilities and
improvements financed by District and City funds.

Section 5. Assessments. The annual assessment proposed to be levied and
collected for the first full year following commencement of the District is estimated at
$24,045,500. $19,332,000. The amount of the annual assessment to be levied and collected
for Year Two through Year Thirty-Two (32) may increase or decrease annually according to
the gross revenue from tourist rooms. The total maximum assessment that could be
collected for Years One through Thirty-Two (32) of the District is $6,458,236,000
$5,766,814,000.

Section 6. Term. The term of the District will be 32 years after the Commencement
Date; the Commencement Date will be the initial date when the assessment levy will be
imposed on tourist room revenue, which will be the later of (1) July 1, 2013, or (2) the first
day of the calendar quarter after a final judgment is entered by a court validating the
issuance of City indebtedness for the Moscone Expansion Project, and related establishment of the District and levy of the assessments;

Section 7. **Management District Plan.** The Board of Supervisors hereby approves the Management District Plan dated September 25, 2012 as updated November 14, 2012 (including its Appendices), including the estimates of the costs of the business-related activities and improvements set forth in the Plan, and the assessment of said costs on the businesses that will benefit from such activities and improvements; a copy of the Management District Plan dated September 25, 2012 as updated November 14, 2012 (including its Appendices) is on file with the Clerk of the Board of Supervisors in File No. 120989, which is hereby declared to be a part of this Resolution as if set forth fully herein; the Clerk of the Board shall make the Management District Plan, Appendices, and other documents related to the District and included in the record before the Board of Supervisors, available to the public for review during normal business hours, Monday through Friday 8:00 a.m. through 5:00 p.m., excluding legal holidays.

Section 8. **Ballot Election.** The City's Department of Elections shall conduct a ballot election of the defined hotel businesses. Ballots shall be weighted according to the proportional financial obligation of each affected hotel business, in relation to the total proposed assessments for the District, calculated as provided in the Management District Plan dated September 25, 2012 as updated November 14, 2012.

Section 9. **Voting.** If hotels representing at least 50% of the total estimated assessments proposed to be levied on all hotels in the District cast ballots, and at least two-thirds of the returned weighted ballots are in favor of the formation of the District and levy of
assessments (which will also mean there is no majority protest pursuant to Streets and
Highways Code §36623(b)), the Board of Supervisors may vote on whether to establish the
District and levy the assessments.

Section 10. **Public Meeting.** A public meeting on the proposed establishment of the
District and the levy and collection of assessments shall be conducted by the Budget and
Finance Committee of the Board of Supervisors on November 28, 2012 January 23, 2013 at
