

Candidates' Statement of Qualifications

Candidate Statement of Brian Stansbury

My occupation is Police Officer, San Francisco Police Department.

My qualifications are:

The Retirement Board oversees the investments of San Francisco's \$15.0 billion pension system. I will use my years of investment experience and finance education to protect the pensions of ALL members and beneficiaries.

Experience:

- Merrill Lynch, Global Markets & Investment Banking: I managed \$4.0 billion of investment decisions in some of the largest transactions in Wall Street history
- Lockheed Martin: I shaped a multi-billion dollar investment strategy
- Plan Member Securities: I was an investment analyst at a \$2.0 billion investment firm

Education:

- Cal Poly San Luis Obispo, B.S., Business; Finance
- UCLA Anderson School of Management, Executive Education program
- Stanford University

Why you should vote for me:

- I'm the only candidate with investment experience managing billions of dollars
- In these difficult times, we need seasoned investment professionals
- COLAs. Strong investment returns will fund retiree COLAs!

My parents are Stockton retirees, who lost ALL of their health insurance last month. When this happened, I pledged to do my part to safeguard San Francisco's pension system.

Retirement Board, Al Casciato (retired)	Retirement Board, Joe Driscoll	San Francisco Police Officers Association
Fire Fighters Local 798	Veteran POA (retirees)	Teamsters Local 350

Candidate Statement of Gus Vallejo

My occupation is Senior Information Systems Analyst.

My qualifications are:

I am a career City employee with a deep understanding of our SFERS pension structure and committed to improving the retirement security of both active and retired members

With more than 25 years of public and private sector analytic, technical and financial experience spanning multiple financial industries, I have the critical skills to understand our \$15 Billion Pension Fund

- City employee since 1999
- Systems Analyst - Department of Technology and SFERS
- Helped develop the Pension Administration System which calculates and pays your pension
- Elected Officer of Local21 IFPTE
- Previous employment:
 - Business/Credit Analyst, Fireman's Fund
 - Operations Supervisor, Wells Fargo

Developed risk models measuring credit exposure to reinsurers

Implemented a worldwide General Ledger System

Implemented large scale credit scoring system

If elected, I will be the only active (currently employed) miscellaneous (non safety) employee Board Member, providing balance and consensus building to the Board.

Thanks for your vote!
