

## **CHANGING KEARNY STREET TO MAYOR ED LEE STREET**

Edwin M. Lee served as Mayor of San Francisco from January 11, 2011 until his death on December 12, 2017.

Kearny Street is a street in San Francisco that runs from Market Street to The Embarcadero, and passes through the Financial District, Union Square, Chinatown and over Telegraph Hill.

This measure would change the name of Kearny Street to Mayor Ed Lee Street.

For the first five years after this measure is adopted, street signs on that street would have the words “Mayor Ed Lee” in large letters and the name “Kearny” in smaller letters. After that, the street signs on that street would only have the words “Mayor Ed Lee.”
