

## High School Voter Education Weeks

Join other students across San Francisco to spread the word about elections by serving as a high school ambassador during California's Voter Education Weeks.

The Department will provide you with the resources and support for you to imagine, design, and conduct your very own outreach event to help San Francisco students pre-register to vote.

Gain volunteer experience and community service hours as you promote elections awareness around your school and community.

## Be a High School Elections Ambassador

with the Department of Elections for Voter Education Weeks September 17 to 28, 2018!

### What you get:
