1.0 GRANT OVERVIEW

1.1 Department Background

The mission of the Department of Elections (Department) is to provide equitable access to voting and election-related services and to conduct free, fair, and functional elections for the City and County of San Francisco. In upholding its mission, the Department must comply with all applicable federal, state, and local law, including the current minority language provisions of the Voting Rights Act of 1965, the accessible voting provisions of the Americans with Disabilities Act of 1990, the general provisions of the Uniformed and Overseas Citizens Absentee Voting Act of 1986, the Help America Vote Act of 2002, the California Elections Code, the San Francisco Municipal Elections Code, and the City Charter.

Year-round, the Department works to ensure that every eligible San Franciscan has access to safe, barrier-free registration and voting options and to improve both its internal and public-facing programs with the goals of making them ever more efficient and responsive to the needs of San Francisco's communities. In addition, as part of an ongoing effort to inspire public confidence in the electoral process and encourage voter participation, the Department maintains full transparency in all of its operations, incorporating public feedback into its programs and services and working collaboratively with local community partners to find new ways to engage voters in San Francisco's elections. Serving a current base of nearly 500,000 registered voters, the Department:

- Facilitates the filing of local candidate nomination papers, ballot measures, and ballot arguments;
- Produces official ballots and voter information guides in multiple languages and formats;
- Offers voter education and outreach to voters and potential registrants throughout the City;
- Administers a vote-by-mail program for nearly 500,000 locally registered voters;
- Facilitates registration and voting in local Board of Education elections for eligible non-citizens;
- Secures and operates accessible neighborhood polling places for each election;
- Recruits and trains poll workers to serve a linguistically and culturally diverse voter population;
- Offers in-person voting opportunities beginning 29 days before each election;
- Organizes the collection of ballots and election results data from polling places on Election Night;
- Provides vote count tabulation and election results reports to the public after Election Day; and
- Conducts a canvass (audit) of all votes cast to verify the validity of election results before certification.

1.2 Purpose and Training

The purpose of this grant is to provide supplemental outreach and education to members of San Francisco's vulnerable and hard-to-reach populations about 1) how to register, vote, and obtain language and accessible voting tools and services, and 2) how serving as a City poll worker yields personal, financial, and career-related benefits. In issuing this Request for Proposals (RFP), the Department seeks to identify partners willing and able to assist in disseminating information on identified outreach topics to local voters and potential registrants in one or more of San Francisco's vulnerable or hard-to-reach populations, **with a focus on: a) BIPOC residents, b) unhoused or housing insecure individuals, and c) individuals involved in the criminal justice system, including those currently on parole.**

Following grant negotiations and finalization of outreach plans, successful applicants will need to attend a training provided by Department Outreach staff to become familiar with outreach messages and materials. As part of this grantee training, and then as necessary throughout the grant term, the Department will provide all grantees with official, ready-to-use, multilingual, multi-format voter and poll worker outreach materials, including posters, brochures, and digital presentations on all outreach topics. It is vital that all outreach messages and materials disseminated to the public are accurate and non-partisan.

1.3 Outreach Topics

Following is a list of outreach topics the Department expects grantees to include in their 2022 outreach:

Universal Mail Ballots. Passed in 2021, Assembly Bill (AB) 37 made permanent the temporary COVID-19 related state law mandating universal ballot mailing to all registered voters, required elections officials to make remote accessible vote-by-mail (AVBM) systems available to all registered voters, and mandated new vote-by-mail ballot (VBM) drop-off infrastructure within a specific criteria. Partner outreach in 2022 will therefore focus on educating local voters that for all future elections 1) they will automatically receive vote-by-mail ballot packets, 2) they may use the AVBM system to access and mark their ballot, 3) they may use the official ballot drop-off boxes to return their VBM ballots, and 4) they will still have in-person voting opportunities at the City Hall Voting Center and neighborhood polling places.

Accessible Tools and Services. The Department provides various accessible programs and services to help voters cast their vote privately and independently. These include the production of multi-format voter guides and ballots, the deployment of accessible voting equipment, including the Accessible Vote-by-Mail system, the use of accessible polling places, and the provision of services such as curbside voting and ballot delivery. Partner outreach in 2022 will need to include information on how voters can access these resources.

Bilingual Materials and Assistance. The Department provides various translated election materials and services designed to increase access for voters who speak a language other than English. These include the production of multilingual voter guides, ballots, and other official election materials and the provision of in-person assistance in commonly spoken languages in San Francisco. Partner outreach in 2022 will need to include information on how voters can access these resources.

Registration and Voting Options for Residents Experiencing Homelessness. The Department's year-round outreach focuses on connecting with residents of the City without fixed addresses who are eligible to vote with information about registration and voting options. Accordingly, partner outreach in 2022 will need to provide information to such residents explaining 1) how to register (e.g., using cross streets or a shelter address), 2) how to receive a ballot (by mail if the voter can receive mail at any address, or in person at the voting center or a polling place), and 3) how to mark and return a ballot (i.e., by mail or in person).

Parolee Voting Rights. Through its outreach programs, the Department has been emphasizing the passage of Proposition 17, which went into effect on January 1, 2021, allowing otherwise eligible residents who are on parole to register to vote. Partner outreach in 2022 will therefore need to focus on communication to residents on parole about the revised state voter registration eligibility requirements.

Non-Citizen Voting Rights. In late 2021, the Board of Supervisors passed Ordinance No. 206-21, which made Proposition N permanent for all local Board of Education elections. (In the November 2016 election, San Francisco voters approved Proposition N, which amended the City Charter to allow certain eligible non-citizen residents of San Francisco to vote for members of the Board of Education.) The next election in which the Board of Education contest will appear on the ballot is November 8, 2022 election. Partner outreach in 2022 will therefore need to focus on communication to non-citizen communities about the eligibility to register and vote in the upcoming November 8, 2022 election.

Census and Redistricting. The Department's voter outreach in 2022 will include messages explaining changes brought on by state and local redistricting. (In December 2020, following the completion of its work redrawing the lines of California's main political jurisdictions based on 2020 federal census data, the state Citizens Redistricting Commission (CRC) released new Board of Equalization, Congress, State Senate, and Assembly District maps. Per local law, San Francisco's Redistricting Task Force (RTF) will release new Supervisorial District maps by April 15, 2022. Partner outreach in 2022 will need to focus on informing the public that RTF's new supervisorial district maps will be in effect beginning with the November 8, 2022 election.

Poll Worker Recruitment. City poll workers form the backbone of the in-person voting process, often making the difference between a positive voting experience and a difficult one. As part of its ongoing effort to make in-person voting as accessible and equitable as possible, the Department focuses on recruiting poll workers who can provide services to voters in both English and other commonly spoken languages and represent the different communities they serve. In the most recent elections, recruitment of poll workers, especially those with bilingual skills, has become increasingly difficult. Partner outreach in 2022 will need to focus on poll worker recruitment, helping alleviate some of the persistent difficulties the Department has experienced in their poll worker recruitment efforts and highlight economic opportunities for those who serve our communities.

1.4 Scope of Work

Please note that this section is intended to serve only as a general guide to the work the Department expects grantees to perform and is not a complete listing of all possible services. The Department will negotiate a more precise scope of services with any grantees selected for grant agreement negotiations.

Each grantee will be required to 1) develop an engaging and cost-effective voter and poll worker outreach program; 2) attend a training session on official and accurate messaging provided by Department Outreach staff; 3) implement an approved outreach plan in a cost-effective and timely fashion; 4) begin outreach activities as specified by grant terms; 5) utilize and distribute official Department approved voter and poll worker outreach materials; 6) deliver accurate and non-partisan information to the general public as well as specific communities; 7) provide complete and regular reports on grantee activities as specified in the agreement.

2.0 FUNDING AND SCHEDULE

2.1 Estimated Available Funds

The approximate total distribution amount is \$120,000 for all grantees combined, not to exceed \$50,000 per grantee and contingent on contract negotiation. (The Department reserves the right to modify these estimated grant amounts in its sole discretion in order to optimize voter outreach efforts.) The disbursement of funds process for this grant is cost-reimbursement.

3.0 PROPOSAL REQUIREMENTS

3.1 Organizational Minimum Requirements

To be eligible to receive a grant under this RFP, an applicant organization cannot have previously been issued grant monies by the Department of Elections in 2022, and must be:

- Be a 501(c)(3) nonprofit organization based in San Francisco and listed by the IRS;
- Regularly conduct program activities in San Francisco with a focus on City residents;
- Be in good standing with the State of California’s Registry of Charitable Trusts;
- Have at least two years of experience in community organizing, education, or outreach; and
- Have a successful track record of collaboration with other City organizations.

Any proposal that does not demonstrate the applicant meets these minimum requirements will be considered non-responsive and will not be evaluated.

3.2 Proposal Content Requirements

Any proposal must include a Grant Application (see Appendix A) with all the following parts*:

- A. Cover Page
- B. Proposal Narrative**
- C. Funding Request
- D. Budget Narrative

**An applicant proposing to provide outreach to multiple populations may submit a single cover page, but must submit multiple outreach plans, funding requests, and budget narratives (B, C, and D). For example, an organization proposing to provide outreach to both the BIPOC community and people involved in the*

justice system would need to submit one cover page, but two proposed outreach plans, funding requests, and budget narratives.

***A complete Proposal Narrative must include all of the following documents: 1) Organization History, 2) Outreach Plan, 3) References, and 4) Other City Grants/Contracts. The proposed outreach plan, in turn, must describe how the applicant will adapt its most successful and data-driven strategies to provide outreach to vulnerable and hard-to-reach populations about 1) how to register, vote, and obtain language and accessible voting tools and services, and 2) how it will recruit at least 50 poll workers by October 24, 2022 to serve in the November 8 election. The proposed outreach plan should also include an explanation of how the applicant plans to evaluate its outreach work.*

In light of the fact that, in recent years, both the City of San Francisco and the Department have committed more intentionally to being data-driven, results-oriented, and resident-responsive governmental entities, applicants are strongly encouraged to include project details and data indicating how they, as local non-profits, evaluate the impact they make on the City communities they serve. Descriptions of such self-evaluative strategies might include a few paragraphs describing an organization's impact plan, responses to a patron or clientele satisfaction survey, client data collection, demographic research, as well as pie charts, line graphs, or other graphical data illustrating who the organization serves and how.

3.3 Optional Pre-Submission Questions

Applicants who choose to send any pre-submission questions or requests for clarification about this RFP to DOE.RFP2022@sfgov.org must do so by July 27, 2022.

The Department will publicly post responses to such pre-submission questions and requests at sfelections.org/RFP2022 on July 29, 2022.

3.4 Date and Method of Proposal Delivery

Applicants shall **email** complete proposals to DOE.RFP2022@sfgov.org with the subject "2022 Outreach RFP" **by 5:00 p.m., on Wednesday, August 3, 2022**. Any applicant may revise their proposal on the applicant's own initiative at any time before the deadline for submission. No other delivery will be accepted.

Each original proposal received will be screened to ensure that all content required by this Solicitation is included. Partial or complete omission of any required content may disqualify proposals from further consideration. Late proposal submissions will not be considered, and failure to adhere to the above requirements may result in the complete rejection of your proposal.

4.0 CITY REQUIREMENTS

The payment process for this Grant is cost-reimbursement.

All responses and submittals in response to this RFP are public information and shall be the property of the City and County of San Francisco. The City may use such Submissions for any purpose whatsoever, without compensation to the provider or any other person or entity and shall not be liable for any use or disclosure of any Submissions.

4.3 Applicant Must be a City Supplier

Before the City can award funding, the grantee must become an approved City vendor. To do so:

The Notice of Protest must include a written statement specifying in detail each and every one of the grounds asserted for the protest. The Notice of Protest must be signed by an individual authorized to represent the Proposer, and must cite the law, rule, local ordinance, procedure or Solicitation provision on which the protest is based. In addition, the Notice of Protest must specify facts and evidence sufficient for the City to determine the validity of the protest.

- c. **Delivery of Protests:** A Notice of Protest must be written. Protests made orally (e.g., by telephone) will not be considered. A Notice of Protest must be delivered by mail or email to the Contract Administrator whose name and contact information appears on the cover page to this Solicitation and received by the due dates stated above. A Notice of Protest shall be transmitted by a means that will objectively establish the date the City received the Notice of Protest. If a Notice of Protest is mailed, the protestor bears the risk of non-delivery within the deadlines specified herein.

4.5 Terms and Conditions for Receipt of Proposals

- a. **Solicitation Errors and Omissions:** Proposers are responsible for reviewing all portions of this Solicitation. Proposers are to promptly notify the City, in writing and to the Solicitation contact person if the Proposer discovers any ambiguity, discrepancy, omission, or other error in the Solicitation. Any such notification should be directed to the City promptly after discovery, but in no event later than the deadline for questions. Modifications and clarifications will be made by Addenda as provided below.
- b. **Objections to Solicitation Terms:** Should a Proposer object on any ground to any provision or legal requirement set forth in this Solicitation, the Proposer must, no later than the deadline for questions, provide written notice to the City setting forth with specificity the grounds for the objection. The failure of a Proposer to object in the manner set forth in this paragraph shall constitute a complete and irrevocable waiver of any such objection.
- c. **Solicitation Addenda:** The City may modify this Solicitation, prior to the Proposal due date, by issuing an Addendum to the Solicitation, which will be posted at sfelections.org/RFP2022. Proposers must monitor the solicitation for updates. The Proposer shall be responsible for ensuring that its Proposal reflects any and all Solicitation Addenda issued by the City prior to the Proposal due date regardless of when the Proposal is submitted. Therefore, the City recommends that the Proposer consult the website frequently, including shortly before the Proposal due date, to determine if the Proposer has downloaded all Solicitation Addenda. It is the responsibility of the Proposer to check for any Addenda, Questions and Answers documents, and updates, which may be posted to the subject Solicitation.
- d. **Proposal Term:** Submission of a Proposal signifies that the proposed services and prices are valid for 180 calendar days from the Proposal due date and that the quoted prices are genuine and not the result of collusion or any other anti-competitive activity. At Proposer's election, the Proposal may remain valid beyond the 180-day period in the circumstance of extended negotiations.
- e. **Revision to Proposal:** A Proposer may revise a Proposal on the Proposer's own initiative at any time before the deadline for submission of Proposals. The Proposer must submit the revised Proposal in the same manner as the original. A revised Proposal must be received on or before, but no later than the Proposal due date and time. In no case will a statement of intent to submit a revised Proposal, or commencement of a revision process, extend the Proposal deadline for any Proposer. At any time during the Proposal evaluation process, the City may require a Proposer to provide oral or written clarification of its Proposal. The City reserves the right to make an award without further clarifications of Proposals received.
- f. **Proposal Errors and Omissions:** Failure by the City to object to an error, omission, or deviation in the Proposal will in no way modify the Solicitation or excuse the Proposer from full compliance with the specifications of this Solicitation or any grant awarded pursuant to this Solicitation.
- g. **Financial Responsibility:** The City accepts no financial responsibility for any costs incurred by a Proposer in responding to this Solicitation. Proposers acknowledge and agree that their submissions in response to this Solicitation will become the property of the City and may be used by the City in any way deemed appropriate.

- h. Proposer's Obligations under the Campaign Reform Ordinance:** Proposers must comply with Section 1.126 of the S.F. Campaign and Governmental Conduct Code. Local law prohibits City elected officials from soliciting or accepting contributions from any person or entity seeking to enter into a contract or grant worth \$100,000 or more with the City, if the contract or grant requires their approval or the approval of their appointees to the board of a state agency. This restriction applies to the party seeking the contract or grant, the party's board of directors, chairperson, chief executive officer, chief financial officer, chief operating officer, any person with an ownership interest greater than ten percent, and any political committees controlled or sponsored by the party, as well as any subcontractors listed in the awarded contract or Proposal. The law both prohibits the donor from giving contributions and prohibits the elected official from soliciting or accepting them.

A person or entity that contracts with the City may not make a campaign contribution to an elected official if the contract would require approval by that official, a board on which the official serves, or a board of a state agency on which an appointee of the official sits. The people and entities listed in the preceding paragraph may not make a campaign contribution to the elected official at any time from the submission of a Proposal for a contract until either: (1) negotiations are terminated and no contract is awarded or no grant is approved; or (2) twelve months have elapsed since the award of the contract or approval of the grant.

A violation of Section 1.126 may result in the criminal, civil, or administrative penalties. For further information, Proposers should contact the San Francisco Ethics Commission at (415) 252-3100.

- i. Reservations of Rights by the City:** The issuance of this Solicitation does not constitute a guarantee by the City that a grant will be awarded or executed by the City. The City expressly reserves the right at any time to:
1. Waive or correct any defect or informality in any response, Proposal, or Proposal procedure;
 2. Reject any or all Proposals;
 3. Reissue the Solicitation;
 4. Prior to submission deadline for Proposals, modify all or any portion of the selection procedures, including deadlines for accepting responses, the specifications or requirements for any materials, equipment or services to be provided under this Solicitation, or the requirements for contents or format of the Proposals;
 5. Procure any materials, equipment or services specified in this Solicitation by any other means; or
 6. Determine that the subject goods or services are no longer necessary.
- j. No Waiver:** No waiver by the City of any provision of this Solicitation shall be implied from the City's failure to recognize or take action on account of a Proposer's failure to comply with this Solicitation.
- k. Other:**
1. The City may make such investigation, as it deems necessary, prior to the award of this contract to determine the conditions under which the goods are to be delivered or the work is to be performed. Factors considered by the City shall include, but not be limited to:
 - i. Any condition set forth in this Solicitation;
 - ii. Adequacy of Proposer's plant facilities and/or equipment, location and personnel location to properly perform all services called for under the Purchase Order; and

 2. City reserves the right to inspect an awarded Proposer's place of business prior award of and/or at any time during the contract term (or any extension thereof) to aid City in determining an awarded Proposer's capabilities and qualifications

3. Failure to timely execute a grant, or to furnish any and all insurance certificates and policy endorsements, or other materials required in the contract, shall be deemed an abandonment of a contract offer. The City, in its sole discretion, may select another
4. City reserves the right to reject any Proposal on which the information submitted by Proposer fails to satisfy City and/or if Proposer is unable to supply the information and documentation required by this Solicitation within the period of time requested.
5. Any false statements made by a Proposer or any related communication/clarification may result in the disqualification of its Proposal from receiving further evaluation and a contract award.
