Spring 2018

# Let's Spring into Action!

Spring has sprung, which means we have just four months to go until the next election, June 5, 2018! Fill out your poll worker availability letter to let us know if you are able to join the team that helps San Franciscans vote.

## Why the City needs you to be a Poll Worker!

It takes almost **3,000 poll workers** to conduct an election in San Francisco. Dedicated poll workers help maintain the integrity of the election process by serving at polling places across the City on Election Day. Poll workers have a shared mission to protect voter rights, serve voters with respect, and assist all voters with casting their vote.

Over 1,300 poll workers who are bilingual in English and Chinese, Spanish, Filipino, Vietnamese or Korean use their language skills on Election Day to ensure all voters can cast their ballot privately and independently. Bilingual poll workers are integral to ensuring language access at San Francisco polling places.

Being a poll worker is an exceptional opportunity to learn about the election process and serve your community while earning a stipend of up to \$195. Poll workers represent a diverse cross-section of the City, from high school students learning on-the-job civics lessons to adults taking time out of their busy days to help others vote. Poll workers like you help make the Election Day possible in San Francisco.
