POLICY CALLING FOR THE IMPEACHMENT OF PRESIDENT TRUMP AND VICE PRESIDENT PENCE

Under the United States Constitution, the House of Representatives may impeach the President or Vice-President for treason, bribery, or other high crimes and misdemeanors. If the Senate convicts the President or Vice President following impeachment, the convicted official would be removed from office.

This measure would declare a City policy calling for the impeachment of President Donald J. Trump and Vice President Michael R. Pence. The policy would state that both President Trump and Vice President Pence have willfully and repeatedly misused and abused their offices and engaged in gross misconduct, malfeasance, and obstruction of justice in violation of their oaths of office and constitutional duty.

The policy would call on San Francisco's elected representatives in Congress to immediately initiate and vote in favor of the impeachment and removal from office of both President Trump and Vice President Pence.
