The February 15, 2022 election ballot will list three local School Board recall contests on a single card.

Each School Board recall contest will consist of a single question: whether [this School Board member] should be recalled from office? For each of the three School Board member recall contests, if more voters choose “Yes” than “No”, the Mayor will appoint a replacement to serve in the recalled member’s seat until a new member is elected and sworn into office. (The next School Board election is on November 8, 2022).

The Department of Elections will mail you a Voter Information Booklet in mid-January. This booklet will provide information about voting in the School Board recall election. The booklet will include a sample ballot you can use to practice marking your selection(s) before marking your official ballot. You can also read the booklet online at sfelections.org/portal/NCV.

How do I vote by mail?

In mid-January, the Department will mail you a vote-by-mail packet containing your ballot, voting instructions, an “I Voted” sticker, and a postage-paid ballot return envelope. To vote by mail, you will need to complete these steps:

Read the instructions printed on the ballot and fill in the ovals next to your selection(s) using a pen with dark ink or a pencil.
2. Prepare your return envelope

Remove the ballot receipt and place your ballot inside the postage-paid return envelope provided, then complete and sign the Voter Section on the back. To authorize another person to return your ballot, complete the Ballot Return Authorization Section.

3. Return your ballot as soon as possible

To be counted, ballots returned by mail must be postmarked on or before Election Day, February 15, 2022; ballots returned in person must be delivered to the City Hall Voting Center, a polling place, or an official ballot drop box provided by the Department of Elections no later than the close of polls (8 p.m.) on Election Day.
