CITY AND COUNTY OF SAN FRANCISCO DEPARTMENT OF ELECTIONS

John Arntz, Director

Dear San Francisco Voter,

July 16, 2021

For the September 14, 2021, California Gubernatorial Recall Election, everyone who is registered to vote in San Francisco by August 30 will receive their one-card ballot in the mail. After the August 30 registration deadline, and through Election Day, people can still register to vote but will need to do so in person at the City Hall Voting Center or a polling place.

Recall Election

Recall elections occur when a sufficient number of voters have signed a petition seeking to remove someone from a public office. The recall ballot has two parts, the “recall question,” and the list of candidates. You may choose to vote in one or both parts.

When answering the recall question, choosing “Yes” means you want to remove the Governor from office. Selecting “No” means you want the Governor to remain in office.

On the back of the ballot is a list of candidates who seek to replace the Governor. If more people vote “Yes,” the candidate with the most votes will become the next Governor of California. If you vote either “Yes” or “No” in the recall question, you can still select a candidate. This allows you to have a vote for the person who would replace the Governor if the recall is successful should more people vote “Yes.”

Returning Your Vote-By-Mail Ballot

Most voters return their ballots using the blue boxes the United States Postal Service (USPS) provides throughout the City. You can search for the nearest USPS boxes and pickup times at usps.com/locator. If you drop your ballot envelope into a blue USPS box, or a letterbox, be sure to check the date and time the USPS will collect your ballot. The reason is the Department can only count ballots in envelopes postmarked on or before Election Day.

Starting August 16, and through Election Day, September 14, voters can also bring their voted ballots to the City Hall Voting Center. Starting September 11, the Department will provide 11 additional drop-off stations, one in each Supervisorial district. You can find the locations and hours of these sites in this voter information pamphlet and on our website, sfelections.org.

On Election Day, September 14, you can also return your voted ballots at any of the City’s 588 neighborhood polling places, open from 7 a.m. to 8 p.m. on Election Day. The location of your polling place is printed on the back cover of this pamphlet. You can return your ballot without entering the polling place since poll workers will provide ballot boxes at the entrance of each polling place.

Tracking the Status of Your Ballot

Voters can track their ballots as they move through the steps of assembly, delivery, processing, and counting at sfelections.org/voterportal. Voters can also sign up to receive notifications on the status of their ballots via email, text, or voice message at wheresmyballot.sos.ca.gov.

Accessible Vote-by-Mail System

Beginning August 16, any voter can use the Department’s accessible vote-by-mail system at sfelections.org/access to receive an electronic ballot, which allows voters to use assistive tools to mark their ballots. You can learn more about this accessible vote-by-mail system on our website, sfelections.org.

Voting in Person

On August 16, the Department will open its Voting Center located inside City Hall, which is available to all voters.

The Voting Center will be open every weekday (except Labor Day), 8 a.m.–5 p.m., starting August 16 and through September 14, the two weekends prior to Election Day, 10 a.m.–4 p.m., and September 14 (Election Day), 7 a.m.–8 p.m. This site will serve all City residents who want to vote in person, drop off their ballots, use accessible voting equipment, or, after the August 30 registration deadline, to register and vote provisionally.

On Election Day, 588 polling places will open for in-person voting and vote-by-mail ballot drop-off services from 7 a.m. to 8 p.m.

For more information, call the Department, (415) 554-4375, email sfvote@sfgov.org, or visit sfelections.org.

Respectfully,
John Arntz, Director

Estimated Costs to Administer the California Gubernatorial Recall Election

Pursuant to Elections Code section 11108(d), the Department of Finance, in consultation with the Secretary of State and county elections officials, has estimated the costs to administer the recall election of Governor Gavin Newsom to be \$276 million.

For more information relating to the costs of the recall election, please see the Secretary of State's website at: <https://elections.cdn.sos.ca.gov/recalls/dept-finance-letter.pdf>

Proponents' Statement of Reasons for the Recall and the Governor's Answer

The recall petition circulated throughout the state included a Statement of Reasons for a recall and the Governor's Answer to the Statement, which are provided below pursuant to Elections Code section 11325.

Proponents' Statement of Reasons

TO THE HONORABLE GAVIN NEWSOM: Pursuant to section 11020, California Elections Code, the undersigned registered qualified voters of the State of California, hereby give notice, we are the proponents of a recall petition and we intend to seek your recall and removal from the office of Governor in the State of California and to demand election of a successor in that office.

The grounds for this recall are as Follows: Governor Newsom has implemented laws which are detrimental to the citizens of this state and our way of life. Laws he endorsed favor foreign nationals, in our country illegally, over that of our own citizens. People in this state suffer the highest taxes in the nation, the highest homelessness rates, and the lowest quality of life as a result. He has imposed sanctuary state status and fails to enforce immigration laws. He unilaterally over-ruled the will of the people regarding the death penalty. He seeks to impose additional burdens on our state by the following; removing the protections of Proposition 13, rationing our water use, increasing taxes and restricting parental rights. Having no other recourse, we the people have come together to take this action, remedy these misdeeds and prevent further injustices.

Governor's Answer to the Statement

WARNING: THIS UNWARRANTED RECALL EFFORT WILL COST CALIFORNIA TAXPAYERS 81 MILLION DOLLARS! IT IS BEING PUSHED BY POLITICAL EXTREMISTS SUPPORTING PRESIDENT TRUMP'S HATEFUL ATTACKS ON CALIFORNIA.

In 2018 California voters elected Governor Gavin Newsom by historic margins.

As Governor, Newsom is working to 1) increase funding for public education, 2) protect and secure Californians' health and health care, 3) improve water, roads, and bridges, 4) address the challenges of housing affordability and homelessness, and 5) prepare for the threats of wildfires.

Our budget is balanced. Our fiscal reserves are unprecedented. Our economy and employment are historically strong.

Yet a handful of partisan activists supporting President Trump and his dangerous agenda to divide America are trying to overturn the definitive will of California voters and bring Washington's broken government to California with this recall effort.

The last thing California needs is another wasteful special election, supported by those who demonize California's people and attack California's values.

Do not be fooled - California's police officers, firefighters, first responders, public school teachers, health providers, and business leaders all **STRONGLY OPPOSE** this costly recall.

DO NOT HAND OVER YOUR SIGNATURE, YOUR SUPPORT OR YOUR PERSONAL, PRIVATE INFORMATION TO THIS DESTRUCTIVE RECALL SCHEME.

Governor Newsom's Statement

State law allows an elected official whose recall is being sought to file a statement for inclusion in county voter information pamphlets. The following statement was submitted by Governor Newsom to the San Francisco Department of Elections:

The past year and a half has challenged us all. But Californians met the moment.

Our state followed science and moved aggressively to save lives and help those hardest hit.

Thanks to your collective efforts, California is beating the pandemic.

Californians have some of the best vaccination levels in the country – leaving us better protected against variants than most other states.

Now, California is making a comeback.

I believe California must use this once in a lifetime moment to come together and ensure every resident – regardless of their race or zip code – can benefit from our recovery.

That's why I launched the \$100 billion California Comeback Plan – the biggest economic recovery package in state history.

Two in three Californian families are receiving at least \$600 in direct relief, and 200,000 small businesses will benefit from our relief programs.

We are investing in solutions for our most pressing challenges – homelessness, education, infrastructure and wildfires.

But all of your sacrifice and our state's progress could be put at risk if this recall succeeds.

I ask you to vote NO on the recall so we can get back to what matters – our recovery and solving our state's biggest challenges.

Governor Newsom

Your Recall Election Ballot

The gubernatorial recall contest on your September 14, 2021, California Gubernatorial Recall Election ballot has two parts: the recall question, “Shall GAVIN NEWSOM be recalled (removed) from the office of Governor?” on the front of the ballot, and the list of replacement candidates on the back of the ballot.

You may choose to vote in only the first part, in only the second part, or in both parts.

If most voters select “Yes” in the first part of the recall contest, then Governor Newsom will be removed from office; if most voters select “No” in the first part, then Governor Newsom will remain in office.

If Governor Newsom is recalled (most voters selected “Yes” in the first part of the recall contest), the replacement candidate receiving the most votes in the second part will replace him as governor.

Candidate’s Political Party Preference

The registered political party preference, or lack thereof, of each gubernatorial replacement candidate is listed with the candidate’s name on the recall ballot provided the candidate filed a ballot designation worksheet subsequently approved by the Secretary of State.

Marking Your Ballot

- 1.** Before you begin making selections, read all of the instructions printed on both sides of the ballot.
- 2.** To ensure your vote selections will be readable and countable, use a pen with dark ink or pencil.
- 3.** Do not write personal information, such as your name or address, anywhere on either side of your ballot.
- 4.** To vote in the first part of the contest, fill in the oval next to either “Yes” or “No” on the front of the ballot.
- 5.** To vote for a listed candidate in the second part of the contest, fill in the oval next to that candidate’s name on the back of the ballot.
- 6.** To vote for a qualified write-in candidate in the second part, fill in the oval next to the empty space below the listed names and write the name of your preferred candidate in that space. (A list of qualified write-in candidates will be available at sfelections.org/writein and the City Hall Voting Center starting September 3, as well as all polling places on Election Day, September 14.)
- 7.** Whether you vote in one or both parts of the recall contest, you can only make a single selection in each. In other words, do not vote both “Yes” and “No” or select more than one replacement candidate.
- 8.** If you make a mistake while making your selection(s), you have the right to request a new ballot, see page 13 for instructions.

Party Endorsements of Candidates

State law allows qualified political parties to endorse candidates for voter-nominated offices, such as the Office of Governor, in county voter information pamphlets. For this election, the following such endorsements were timely and properly received by the Department of Elections:

American Independent Party: Larry Elder

Libertarian Party: Jeff Hewitt

Frequently Asked Questions about Voting in San Francisco

Recall Election Ballot FAQs

How many contests are on the September 14 election ballot? The gubernatorial recall contest is the only contest on the September 14 election ballot, but it has two parts: the recall question, “Shall GAVIN NEWSOM be recalled (removed) from the office of Governor?” on the front of the ballot, and the list of replacement candidates on the back of the ballot.

Do I need to vote in both parts of the recall contest? No. You may choose to vote in only the first part, in only the second part, or in both parts. Whether you vote in one or both parts of the recall contest, you can only make a single selection in each. In other words, do not vote both “Yes” and “No” or select more than one replacement candidate.

How do I vote in the first part of the recall contest? Use a pen with dark ink or pencil to fill in the oval next to either “Yes” or “No” on the front of the ballot.

If most voters select “Yes” in this first part, then Governor Newsom will be removed from office; if most voters select “No” in this first part, then Governor Newsom will remain in office.

How do I vote for a replacement candidate in the second part of the recall contest? Use a pen with dark ink or pencil to fill in the oval next to the name of one candidate or fill in the oval next to the blank space at the bottom of the list and write in the name of a qualified write-in candidate. (See sfelections.org/writein for a list of qualified write-in candidates.)

If Governor Newsom is recalled (most voters selected “Yes” in the first part of the recall contest), the replacement candidate receiving the most votes in this second part will replace him as governor.

How are the votes counted in the recall contest? Votes in the first part and the second part of the recall contest are counted independently. Only if there are more “Yes” votes than “No” votes in the first part of the contest, will the replacement candidate who receives most votes in the second part replace Governor Newsom.

In-Person Voting FAQs

Can I vote at any polling place in San Francisco? It is best to vote at your assigned polling place. If you vote at another polling place, your name will not be on the roster of voters and you will be asked to vote a provisional ballot.

What kind of multilingual resources are available at in-person voting sites? Both the City Hall Voting Center and all of San Francisco’s 588 polling places will offer bilingual ballots in English and Chinese, Spanish, and Filipino. In addition, certain voting sites will also offer facsimile (reference) ballots in Burmese, Japanese, Korean, Thai, and Vietnamese. Finally, bilingual workers will provide multilingual assistance at voting sites in most neighborhoods.

What kind of accessibility resources are available at in-person voting sites? All in-person voting sites will offer curbside voting service as well as accessible voting equipment, tools, and personal assistance. Any voter may ask one or two people to assist them with marking a ballot, provided any such assistant is not the voter’s employer or a representative of the voter’s union and the assistant does not attempt to influence the voter.

Vote-By-Mail Ballot Delivery FAQs

What if my ballot does not arrive in the mail? You can track where your ballot is in the mailing process at sfelections.org/voterportal. If it has been more than three days since your ballot was mailed, you may request a replacement vote-by-mail ballot at sfelections.org/voterportal or by calling the Department of Elections at (415) 554-4375.

How can I get a replacement vote-by-mail ballot? To request a replacement vote-by-mail ballot before September 8, go to sfelections.org/voterportal or call the Department of Elections at (415) 554-4375. After that date, contact the Department as soon as possible to discuss your voting options.

Can I use the Accessible Vote-by-Mail (AVBM) system to access my ballot? Any voter can access and mark their ballot at sfelections.org/access. AVBM ballots must be printed and returned by mail or in person.

How can I track my vote-by-mail ballot? You can track your vote-by-mail ballot from assembly up through delivery, verification, and counting, at sfelections.org/voterportal. Or, sign up to receive ballot notifications via email, text, or voice message at wheresmyballot.sos.ca.gov. Alternatively, you may call or email the Department of Elections.

Vote-By-Mail Ballot Return FAQs

Can I return my ballot by mail on Election Day? For your ballot to be counted, your ballot return envelope must be postmarked by Election Day, September 14. If you mail your ballot return envelope after the last pickup time on Election Day, your ballot will be postmarked too late to be counted. Find USPS box locations and pickup times at usps.com/locator.

How should I sign the ballot return envelope? Sign your envelope with the signature you last provided on your voter registration application. If your name or signature has recently changed, please re-register at registertovote.ca.gov. If you do not sign your ballot return envelope or if your envelope signature does not compare to any signature in your voter record, your ballot will be challenged and you will need to cure the issue before your ballot can be counted.

Where can I drop off my vote-by-mail ballot? You may return your marked ballot to any official ballot drop-off station or polling place in California — local ballots returned in other counties will be forwarded to San Francisco. For locations and hours of San Francisco's official ballot drop-off stations, see pages 10 and 11 or go to sfelections.org/balлотdropoff.

For security reasons, the AVBM system does not store or transmit votes over the internet. After marking an AVBM ballot, a voter must print and return it in person or by mail.

Ballot-Marking Devices

All in-person voting locations have accessible ballot-marking devices. Because ballot-marking devices do not count votes, voters using them need to generate paper ballot printouts and scan the printouts using the same machine used to scan regular paper ballots.

An accessible ballot-marking device allows any voter to navigate and mark their ballot using any combination of the following accessible features:

- Touchscreen, audio, and touchscreen/audio ballot format options.
- Braille-embossed handheld keypads with audio-tactile interfaces.
- Adjustable language, text size, audio speed, volume, and color options.
- Audio instructions in English, Cantonese, Mandarin, Spanish, and Filipino.
- Touchscreen privacy screens and headphones with removable covers.
- Compatibility with sip-and-puff, paddle, head-pointer; and other devices.
- Audio or visual review of vote selections in all contests.

Personal Assistance and Ballot Delivery Options

Any voter may request that up to two people (other than the voter's employer, an agent of the voter's employer, or an officer or agent of the union of which the voter is a member), assist the voter in marking their ballot. The voter may also ask poll workers for such assistance. **Anyone assisting a voter with marking their ballot should not interfere with the voting process or make choices on the voter's behalf.**

Any voter may request to vote "curbside" at any in-person voting location by calling (415) 554-4375 or by asking a companion to enter the facility to request delivery of voting materials to the voter outside.

Beginning September 8, any voter unable to travel because of illness, disability, or confinement, including any voter under COVID-19-related quarantine, may authorize another person, including a Department of Elections staff member, to pick up and deliver an emergency vote-by-mail ballot to them. To request emergency ballot delivery in the last week of the voting period, complete the form at sfelections.org/ballotservices or call (415) 554-4375.

Other Accessible Voting Resources

All in-person voting locations have accessible voting tools, including magnifiers and easy-grip pens for signing the roster and marking a ballot. All in-person voting locations also have wheelchair accessible entrances, as well as wheelchair accessible and seated voting booths, all designated by the international symbol of access.

Multilingual Voter Services

The Department of Elections provides ballots, voting materials, and in-person assistance in Chinese, Spanish, and Filipino, in addition to English. Upon request, the Department can also provide interpreting services in many other languages.

In certain polling places, the Department offers facsimile (reference) ballots in Burmese, Japanese, Korean, Thai, and Vietnamese. Any voter can request official elections materials in any language at: sfelections.org/language or by calling (415) 554-4375.

Key Facts about the City's Voting System

San Francisco voters began using a new voting system in 2019. Voters who will be using this system for the first time may find the following information useful:

- 1.** To mark the ballot, voters fill in ovals next to their selections.
- 2.** All voting sites will have ballot-scanning machines and accessible ballot-marking devices. Ballot-marking devices feature:
 - Audio and touchscreen ballot formats (headphones and braille-embossed keypads are available)
 - Compatibility with assistive devices such as sip-and-puff and head pointer
 - Ballot secrecy and vote count security. The ballot-marking devices do not store voters' selections; after marking their ballots, voters need to print and have their ballots scanned by ballot-scanning machines.
- 3.** Prior to each election, the Department of Elections tests all of the City's voting equipment to verify that this equipment is functional and generates logically accurate results. Equipment testing is open to public observation, both in person and via livestream at sfelections.org/observe.
- 4.** No part of the City's voting system connects to the internet or receives or transmits data through any external communication network. In an effort to provide maximum transparency, the Department of Elections publically posts images of voted ballots on its website, including information on how the marks on each ballot were interpreted and tabulated.

Keep Your Voter Registration Information Current!

It is important to review the information in your voter registration record prior to every election. If your record contains outdated information such as the wrong mailing address, you may not receive official elections materials, including your vote-by-mail ballot. You may review your registration information by visiting voterstatus.sos.ca.gov or by contacting the Department of Elections.

To update the information in your registration record, (re)register at registertovote.ca.gov, or contact the Department to request a paper registration form.

The deadline to (re)register online or by mail for the September 14, 2021 election is August 30, 2021. After that date, you will need to update your information in person at the voting center or a polling place.

Voter Registration Privacy Information

Information in your voter registration record is used by election officials to send you official election materials. Commercial use of voter registration information is prohibited by law and is a misdemeanor. Voter information may be provided upon request for election, scholarly, journalistic, political, or governmental purposes, as determined by the Secretary of State. Certain information such as driver license, social security numbers and signatures on record cannot be released for these purposes. If you have any questions about the use of voter information or wish to report suspected misuse of such information, call the Secretary of State's toll-free Voter Hotline: (800) 345-VOTE (8683).
