CITY AND COUNTY OF SAN FRANCISCO DEPARTMENT OF ELECTIONS

John Arntz, Director

Dear San Francisco Voter,

February 28, 2022

The April 19, Special General Election, will determine which of two candidates serves in State Assembly District 17 until the current term of office ends in early December. After this election, voters in Assembly District 17 will also have this contest on their ballots for the upcoming June and November elections.

The reason for multiple elections for District 17 is a vacancy occurred in this office in October 2021, resulting in the Governor calling this April general election (which required a February primary election) so that voters could select the person to serve the remainder of the current term of office. The June and November elections will determine who serves in the office in the new term.

However, with statewide redistricting now completed, starting with the June election some voters currently in Assembly District 17 will vote in District 19. Visit our website for maps of the new boundaries for Assembly and Congressional Districts in San Francisco: sfelections.sfgov.org/maps.

Returning Your Vote-By-Mail Ballot

If you drop your ballot envelope into a blue USPS box, or a letterbox, be sure to check the date and time the USPS will collect your ballot. The reason is the Department can only count ballots in envelopes postmarked on or before Election Day, April 19. You can search for the nearest USPS boxes and pickup times at usps.com/locator.

Starting March 21 and through 8 p.m. on Election Day, the Department will provide 34 official ballot drop boxes in neighborhoods across San Francisco. Any voter may choose to use an official ballot drop box to return their voted ballot. You can find the locations of the ballot drop boxes in this voter information pamphlet and on our website, sfelections.org/balлотdropoff.

On Election Day, you can also return your voted ballot to any of the City's 183 neighborhood polling places, open from 7 a.m. to 8 p.m.

Tracking the Status of Your Vote-By-Mail Ballot

Voters can track their ballots as they move through the steps of assembly, delivery, processing, and counting at sfelections.org/voterportal. Voters can also sign up to receive notifications on the status of their ballots via email, text, or voice message at wheresmyballot.sos.ca.gov.

Accessible Vote-by-Mail System

Beginning March 21, any voter can use the Department's accessible vote-by-mail (AVBM) system at sfelections.org/access to access and mark their ballot using their own assistive technology. After marking an AVBM ballot, the voter must print out the ballot, place it in the envelope, and return the ballot envelope to the Department of Elections.

Voting in Person

On March 21, the Department will open its Voting Center located inside City Hall, which is available to all voters.

The Voting Center will be open every weekday, 8 a.m. – 5 p.m., the two weekends prior to Election Day (April 9–10, and April 16–17), 10 a.m. – 4 p.m., and Election Day, April 19, 7 a.m. – 8 p.m. The Voting Center serves all City residents who want to vote in person, drop off their voted ballots, use accessible voting equipment, or, after the April 4 registration deadline, to register and vote provisionally.

On Election Day, polling places will open for in-person voting and vote-by-mail ballot drop-off services from 7 a.m. – 8 p.m. The location of your polling place is printed on the back cover of this pamphlet.

For more information, call the Department, (415) 554-4375, email sfvote@sfgov.org, or visit sfelections.org.

Respectfully,
John Arntz, Director

Members of the public are invited to provide their comments and submit map proposals to the San Francisco's Redistricting Task Force, which is now considering the new boundaries for the City's Supervisorial Districts.

Members of the public may use the Redistricting Tool at redrawmysf.publicredistricting.com to draw their own maps and submit them to the Redistricting Task Force for consideration.

The Task Force must complete this work by April 15, 2022.

Candidates for State Assembly, District 17

DAVID CAMPOS

My occupation is Civil Rights Attorney.

My qualifications are:

For real change we need to change how we elect our leaders. That's why our campaign is corporate-free — so we will be free to:

- Raise the minimum wage to a living wage.
- Make healthcare affordable with Medicare for All.
- Ensure the entire state does its part on homelessness.
- Build affordable homes, not just luxury towers.
- Make billionaires pay their fair share – so working families pay less.
- Lower utility bills and create middle class jobs with a Green New Deal.
- Grow our economy fairly and promote local small businesses.
- Cut crime by cutting poverty and treating mental illness and substance abuse.

I came to this country as a Dreamer, crossing the border with my sister on my back. I earned scholarships to Stanford and Harvard Law. I came out to my family. As Supervisor, I won important battles to provide healthcare for all and save St Luke's Hospital. I fought for equal pay for women, built more affordable housing, passed stronger eviction protections, and fought for fair pay for workers.

I fought to defeat Donald Trump, protect a woman's right to choose, and make the wealthiest corporations pay their fair share so we could house the homeless.

MATT HANEY

My occupation is Supervisor, City and County of San Francisco.

My qualifications are:

As a San Francisco Supervisor, tenants rights attorney, and educator, I've delivered progressive, practical solutions to San Francisco's toughest challenges.

I championed guaranteed mental health care for all, 24-hour bathrooms, 5,000+ new housing units in my district, and as Chair of the Budget and Finance Committee, I secured record investments in housing, public safety, and small business relief.

When the pandemic hit, I authored legislation to house 2,000+ people experiencing homelessness, worked shifts at a COVID shelter hotel during a staff shortage, and delivered mass vaccination sites citywide.

I'm running for State Assembly because we need bold, effective leadership to build more housing, get homeless people off the streets, and confront the crisis of climate change.

Priorities:

- Build 100,000 new housing units in San Francisco over 10 years to make housing more affordable for all.
- Expand supportive housing and mental health care to dramatically reduce street homelessness.
- Confront climate change with investments in renewable energy and sustainable transit.
- Make huge corporations and CEOs who made billions during the pandemic pay their fair share.
- Protect LGBTQ+ rights, civil rights, and women's rights.
- Support community policing, stop anti-Asian hate crimes, and get guns and fentanyl off the streets with effective consequences.

Accessible Vote-By-Mail System

The Accessible Vote-by-Mail (AVBM) System, which is compatible with personal assistive technology such as head-pointers and sip-and-puff devices, allows any voter to mark a screen-readable ballot online. To access the AVBM System, visit *sfelections.org/access*. The AVBM system will be open from March 21, 2022 through 8:00 p.m. on Election Day, April 19, 2022.

For security reasons, the AVBM system does not store or transmit votes over the internet. After marking an AVBM ballot, a voter must print and return it in person or by mail.

Ballot-Marking Devices

All in-person voting locations have accessible ballot-marking devices. Because ballot-marking devices do not count votes, voters using them need to generate paper ballot printouts and scan the printouts using the same machine used to scan regular paper ballots.

An accessible ballot-marking device allows any voter to navigate and mark their ballot using any combination of the following accessible features:

- Touchscreen, audio, and touchscreen/audio ballot format options.
- Braille-embossed handheld keypads with audio-tactile interfaces.
- Adjustable language, text size, audio speed, volume, and color options.
- Audio instructions in English, Cantonese, Mandarin, Spanish, and Filipino.
- Touchscreen privacy screens and headphones with removable covers.
- Compatibility with sip-and-puff, paddle, head-pointer; and other devices.
- Audio or visual review of vote selections in all contests.

Personal Assistance and Ballot Delivery Options

Any voter may request that up to two people (other than the voter's employer, an agent of the voter's employer, or an officer or agent of the union of which the voter is a member), assist the voter in marking their ballot. The voter may also ask poll workers for such assistance. **Anyone assisting a voter with marking their ballot should not interfere with the voting process or make choices on the voter's behalf.**

Any voter may request to vote "curbside" at any in-person voting location by calling (415) 554-4375 or by asking a companion to enter the facility to request delivery of voting materials to the voter outside.

Beginning April 13, any voter unable to travel because of illness, disability, or confinement, including any voter under COVID-19-related quarantine, may authorize another person, including a Department of Elections staff member, to pick up and deliver an emergency vote-by-mail ballot to them. To request emergency ballot delivery in the last week of the voting period, complete the form at sfelections.org/ballotservices or call (415) 554-4375.

Other Accessible Voting Resources

All in-person voting locations have accessible voting tools, including magnifiers and easy-grip pens for signing the roster and marking a ballot. All in-person voting locations also have wheelchair accessible entrances, as well as wheelchair accessible and seated voting booths, all designated by the international symbol of access.

Multilingual Voter Services

The Department of Elections provides ballots, voting materials, and in-person assistance in Chinese, Spanish, and Filipino, in addition to English. Upon request, the Department can also provide interpreting services in many other languages.

In certain polling places, the Department offers facsimile (reference) ballots in Burmese, Japanese, Korean, Thai, and Vietnamese. Any voter can request official elections materials in any language at: sfelections.org/language or by calling (415) 554-4375.

See the list of all San Francisco polling places, along with the types of language resources available at: sfelections.org/voteatyourpollingplace.

Key Facts about the City's Voting System

San Francisco voters began using its current voting system in 2019. Voters who will be using this system for the first time may find the following information useful:

- 1.** To mark the ballot, voters fill in ovals next to their selections.
- 2.** All voting sites will have ballot-scanning machines and accessible ballot-marking devices. Ballot-marking devices feature:
 - Audio and touchscreen ballot formats (headphones and braille-embossed keypads are available)
 - Compatibility with assistive devices such as sip-and-puff and head pointer
 - Ballot secrecy and vote count security. The ballot-marking devices do not store voters' selections; after marking their ballots, voters need to print and have their ballots scanned by ballot-scanning machines.
- 3.** Prior to each election, the Department of Elections tests all of the City's voting equipment to verify that this equipment is functional and generates logically accurate results. Equipment testing is open to public observation, both in person and via livestream at sfelections.org/observe.
- 4.** No part of the City's voting system connects to the internet or receives or transmits data through any external communication network. In an effort to provide maximum transparency, the Department of Elections publically posts images of voted ballots on its website, including information on how the marks on each ballot were interpreted and tabulated.

Keep Your Voter Registration Information Current!

It is important to review the information in your voter registration record prior to every election. If your record contains outdated information such as the wrong mailing address, you may not receive official elections materials, including your vote-by-mail ballot. You may review your registration information by visiting voterstatus.sos.ca.gov or by contacting the Department of Elections.

To update the information in your registration record, (re)register at registertovote.ca.gov, or contact the Department to request a paper registration form.

The deadline to (re)register online or by mail for the April 19, 2022 election is April 4, 2022. After that date, you will need to update your information in person at the voting center or a polling place.

Voter Registration Privacy Information

Information in your voter registration record is used by election officials to send you official election materials. Commercial use of voter registration information is prohibited by law and is a misdemeanor. Voter information may be provided upon request for election, scholarly, journalistic, political, or governmental purposes, as determined by the Secretary of State. Certain information such as driver license, social security numbers and signatures on record cannot be released for these purposes. If you have any questions about the use of voter information or wish to report suspected misuse of such information, call the Secretary of State's toll-free Voter Hotline: (800) 345-VOTE (8683).

Safe at Home Program

Safe at Home is a confidential address program administered by the California Secretary of State. Certain voters facing life-threatening situations may qualify for confidential voter status. For more information, contact the Secretary of State's Safe at Home program toll-free at (877) 322-5227, or visit sos.ca.gov.
