San Francisco's future as a world-class city is one with an amply funded public transportation system, serving everyone equitably — regardless of income or neighborhood.</p> <p>Prop. A revitalizes San Francisco's public transportation system with the necessary funding to bring accessible, modern, and reliable transit to every San Franciscan. In order to address housing affordability, climate change concerns, the covid-19 recovery, and equity, we must begin by funding an efficient, safe, sustainable, and fast public transportation system. 	PROPOSITION A WILL BENEFIT EVERYONE. It invests monies to fix MUNI, calm traffic, and make our streets safer.	
	And it does all this WITHOUT RAISING TAXES!	
	Chronic deferred maintenance and funding shortages have made our public transportation system unreliable. But Proposition A will fix that by modernizing our rail system and repairing, upgrading, and refurbishing aging facilities and equipment.	
	As San Francisco's population continues to grow, it is necessary that we invest in MUNI as a way for our residents to access all of our neighborhoods. Proposition A is a once-in-a-generation opportunity for us to invest in the kind of MUNI system we need now, and in the future.	
	San Francisco deserves a public transportation system that is safe, clean, and efficient. Join us in voting YES on PROPOSITON A!
