Ballot Argument Control Sheet

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an electronic copy of your ballot argument text within 24 hours after submission to the Department at publications@sfgov.org.

Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

Democratic Party Leaders Urge Yes on Proposition B

It's time to reform the San Francisco Department of Building Inspection and Building Inspection Commission.

Proposition B will reduce corruption and create more accountability and transparency over the Department. It will change how commissioners are appointed to the Building Inspection Commission by requiring a nomination and confirmation process for all nominees as part of the appointment process. Proposition B will ensure more accountability and transparency in our building permitting and inspection process. We urge you to vote Yes.
