Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

| J, 7, D. | Please vote NO on Proposition D. | per line |
| | Proposition D is an ordinance that would create a new Office of Victim and Witness Rights. While this may be an interesting and perhaps popular concept, it's not something the voters need to approve. I respectfully suggest that Proposition D is not the best approach to this issue. | |
| | An ordinance like this can be passed by the Board of Supervisors and approved by the Mayor, after one or more hearings to fine-tune the proposal. The legislative process is important, to consider all views and use the best ideas and language to make a concept real and meaningful. | |
| | This proposal was never introduced at the Board of Supervisors to my knowledge, as a hearing or as legislation. It went straight to the ballot, it proposes a new office with staff to coordinate existing services, and it would add more bureaucracy, without directly improving victim and witness rights. | |
| | A better approach would be to consider this at the Board of Supervisors, hold hearings, craft a proposal, and actually increase resources or reassign functions in this area. A ballot measure like this is not a good solution to a problem that may be real but is not well-defined. | |
| | Meanwhile, various City departments already provide some victim and witness services. More information on what they do would be useful, and I'm sure the Mayor and department heads could direct that better coordination occur in this area. | |
| | We don't need new City Departments, unnecessary spending, or other gimmicks during a pandemic or at any other time. We should be using existing resources and oversight mechanisms more effectively. | |
| | Please vote NO on Proposition D. Thank you. | |
