(d) All compensation, including all pass-through compensation for services paid to, on behalf of, or for the benefit of owners of a pass-through entity, shall be included in the calculation of such entity's payroll expense tax base for purposes of determining such entity's tax liability under this Article. For purposes of this section, the “pass-through compensation for services” of a pass-through entity shall be the aggregate compensation paid by such entity for personal services rendered by all such owners, and shall not include any return on capital investment. The taxpayer may calculate the amount of compensation to owners of the entity subject to the Payroll Expense Tax, or the taxpayer may presume that, in addition to amounts reported on a W-2 form, the amount subject to the payroll expense tax is, for each owner, an amount that is two hundred percent (200%) of the average annual compensation paid to, on behalf of, or for the benefit of the employees of the pass-through entity whose compensation is in the top quartile (i.e., 25%) of the entity’s employees who are based in the City; provided, the total number of employees of the entity based in the City is not less than four.
SEC. 902.2. PASS-THROUGH ENTITY.

The term “pass-through entity” includes a trust, partnership, corporation described in Subchapter S of the Internal Revenue Code of 1986, as amended, limited liability company, limited liability partnership, professional corporation, and any other person or entity (other than a disregarded entity for federal income tax purposes) which is not subject to the income tax imposed by Subtitle A, Chapter 1 of the Internal Revenue Code of 1986, as amended, or which is allowed a deduction in computing such tax for distributions to the owners or beneficiaries of such person or entity. Any person exempt from payment of the Payroll Expense Tax under Section 905-A or 906 of this Article shall not be disqualified from or denied such exemption as result of being a “pass-through entity” under this Section.

SEC. 903. IMPOSITION OF PAYROLL EXPENSE TAX.

(a) A tax for general governmental purposes is hereby imposed upon every person engaging in business within the City as defined in Section 6.2-12 of Article 6: provided, that such tax shall be levied only upon that portion of the person’s payroll expense that is attributable to the City as set forth in Section 904.

(b) The Payroll Expense Tax is imposed for general governmental purposes and in order to require commerce and the business community to carry a fair share of the costs of local government in return for the benefits, opportunities and protections afforded by the City. Proceeds from the tax shall be deposited in the City’s general fund and may be expended for any purposes of the City.

SEC. 903.1. RATE OF PAYROLL EXPENSE TAX.

(a) Except as provided in subsection (b), the rate of the payroll expense tax shall be 1½ percent. The amount of a person’s liability for the payroll expense tax shall be the product of such person’s taxable payroll expense multiplied by the rate of the payroll expense tax expressed as a
decimal (e.g., for a payroll expense tax rate of 1½ percent, 0.015). The amount of such tax for Associations shall be the sum of the payroll expense of such Association and the total distributions made by such Association by way of salary to those having an ownership interest in such Association, multiplied by the rate of the payroll expense tax expressed as a decimal (e.g., for a payroll expense tax rate of 1½ percent, 0.015). Amounts paid or credited to those having an ownership interest in such Association prior and in addition to the distribution of ownership profit or loss shall be presumed to be distributions “by way of salary” and for personal services rendered, unless the taxpayer proves otherwise by clear and convincing evidence.

(b) Commencing on the operative date of the Gross Receipts Tax Ordinance, the rate of the payroll expense tax shall be computed by the Controller in accordance with subsections (c) and (d). The Controller shall certify and publish such rate on or before September 1 of each year.

(c) Commencing on the operative date of the Gross Receipts Tax Ordinance:

1. For any tax year in which the payroll expense tax rate, computed in accordance with subsection (d), is less than zero, then the payroll expense tax rate for that year and all subsequent years shall be zero. The Controller shall certify and publish such rate on or before September 1 of that year.

2. Notwithstanding any other provision of this Article or Article 12-A-1, the payroll expense tax rate for 2019 and all future years shall be the rate in effect in tax year 2018. The Controller shall certify and publish such rate on or before September 1, 2019, at which time the Controller’s duty to compute, certify and publish the payroll expense tax rate shall cease.

3. Notwithstanding any other provision of this Article or Article 12-A-1, in no event shall the payroll expense tax rate for any year exceed 1½ percent.

(d) Payroll Expense Tax Rate Computation. The Controller shall compute the payroll expense tax rate for each tax year according to the following table and formulas:

Where: “PADJ\text{year}” is the payroll expense tax rate adjustment factor expressed as a percentage and computed in accordance with subsection (d)(2).

(2) Payroll Expense Tax Rate Adjustment Factor Computation. Unless the prior year’s payroll expense tax rate is zero, in which case the payroll expense tax adjustment factor does not apply, the Controller shall compute the payroll expense tax rate adjustment factor (PADJ\text{year}) according to the following table and formulas:

(C) "MR\text{year}" is computed in accordance with subsection (d)(3).

(3) Missing Revenue Factor Computation. The Missing Revenue Factor (MR\text{year}) is, for any year, the amount by which the combined revenue actually collected from the payroll expense tax, gross receipts tax, and business registration fee for the previous year differs from the sum of expected payroll tax revenue, business registration fees, and administrative costs for the previous year. Unless the prior year’s payroll expense tax rate is zero, in which case the missing revenue factor does not apply, the Controller shall compute the missing revenue factor (MR\text{year}) according to the following table and formulas:

(D) “$37,216,000,” $38,071,000,” “38,951,650,” and “39,858,720” are the amounts of total business registration fee revenue expected for the year prior to the year for which MRYear is being computed; and

(E) “ADMyear” is an estimate of the additional expense incurred by the Tax Collector in administering the tax. It shall be established annually by the Controller and shall not exceed 2 percent of the sum of the actual payroll expense tax revenue and gross receipts tax revenue for the prior year.

(4) Expected Revenue Factor Computation. The Expected Review Factor (ERyear) is, for any year, an estimate of the amount of payroll expense tax that would have been collected had a 1½ percent payroll expense tax rate been in effect based on the actual amount of payroll expense tax collected in the previous year, the previous year’s payroll expense tax rate, and an assumed growth of 3 percent in the tax base. SEC. 904. APPORTIONMENT OF PAYROLL EXPENSE.

Where payroll expense is incurred by reason of work performed or services rendered by an individual wholly within the City, all of the payroll expense for such individual shall be attributable to the City and subject to tax hereunder. Where payroll expense is incurred by reason of work performed
or services rendered by an individual partly within and partly without the City, the portion of such payroll expense attributable to the City (and subject to tax hereunder) shall be determined as follows:

(a) Except as otherwise provided in this section, the portion of such payroll expense attributable to the City shall be the portion of such payroll expense which the total number of working hours employed within the City bears to the total number of working hours within and without the City.

(b) If the amount of such payroll expense depends on the volume of business transacted by such individual, then the portion of such payroll expense attributable to the City shall be the portion of such payroll expense which the volume of business transacted by such individual in the City bears to the volume of business transacted by such individual within and without the City.

(c) If it is impracticable, unreasonable or improper to apportion such payroll expenses as aforesaid either because of the particular nature of the services of such individual, or on account of the unusual basis of compensation, or for any other reason, then the amount of such payroll earnings reasonably attributable to work performed or services rendered in the City shall be determined on the basis of all relevant facts and circumstances of the particular case, in accordance with any rulings or regulations issued or promulgated by the Tax Collector for the purpose.

(d) If the Tax Collector determines that the percentage of payroll expenses attributable to the City, for any one or more persons, is a relatively stable percentage, the Tax Collector may establish that percentage as a prima facie evidence of payroll expense attributable to the City: provided, that the Tax Collector shall condition the establishment of such fixed percentage upon the obligation of the taxpayer to report immediately to the Tax Collector any significant change in the taxpayer’s mode of business which may impact the portion of the person’s payroll expense which is attributable to the City; and, provided further, that the Tax Collector may rescind any such fixed percentage at any time by providing written notice to the taxpayer of such rescission.
SEC. 905-A. SMALL BUSINESS TAX EXEMPTION.

(a) Notwithstanding any other provisions of this Article 12-A, a “small business enterprise” as hereinafter defined, shall be exempt from payment of the payroll expense tax; provided, however, that a small business enterprise shall pay the annual registration fee pursuant to Section 855 of Article 12.

(b) The term “small business enterprise” shall mean and include any person whose taxable payroll expense does not exceed $250,000.

(c) For the 2011 tax year, and each second succeeding tax year the Tax Collector shall increase the ceiling for the small business tax exemption (rounded to the nearest $10,000 increment) to reflect increases in the United States Department of Labor’s Bureau of Labor Statistics consumer price index for all urban customers for the San Francisco-Oakland-San Jose area for each of the preceding two tax years.

SEC. 906. EXEMPTION PROVISIONS.

(a) Except as provided in Subsection (b) of this Section, an organization having a formally recognized exemption from income tax pursuant to Sections 501(c) or 501(d) or 401(a) of the Internal Revenue Code of 1986, as amended, as qualified by Sections 502, 503 and 504 of the Internal Revenue Code of 1986, as amended, shall be exempt from taxation under this Article.

(b) Except for an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, an organization otherwise exempt from taxation under Subsection (a) of this Section that is directly engaged within the City in an unrelated trade or business within the meaning of Section 513(a) of the Internal Revenue Code of 1986, as amended, and has, from its own operations, unrelated business taxable income within the meaning of Section 512(a)(1) of the Internal Revenue Code of 1986, as amended, shall pay the Payroll Expense Tax equal to the amount calculated by multiplying the tax which would have been due under this Article if the organization were not an exempt organization by the percentage which its unrelated business receipts bear to its total receipts.
If it is impracticable, unreasonable or improper to allocate such organization's payroll expense as aforesaid either because of the particular nature of the organization's unrelated trade or business or the particular nature of the services provided to the organization in connection therewith by its employees, or on account of the unusual basis of compensation, or for any other reason, then the amount of such payroll expense reasonably attributable to work performed or services rendered in the City shall be determined on the basis of all relevant facts and circumstances of the particular case, in accordance with any rulings or regulations issued or promulgated by the Tax Collector for the purpose.

(c) Blind persons licensed under the provisions of Chapter 6A of Title 12 of the United States Code ("Vending Stands for Blind in Federal Buildings") and Article 5 of Chapter 6 of Part 2 of Division 10 of the Welfare and Institutions Code of the State of California ("Business Enterprises for the Blind") need not include in the computation of payroll expense the first $15,000 of payroll expense in any one year which is attributable to their licensed operations within the City.

(d) Skilled Nursing Facilities licensed under the provisions of Title 22, California Administrative Code, Division 5 ("Licensing and Certification of Health Facilities and Referral Agencies") Chapter 3 ("Skilled Nursing Facilities"), shall be exempt from taxation under this Article.

(6) Any person upon whom the City is prohibited under the Constitution or statute of the state of California from imposing the Payroll Expense Tax.

(f) To the extent that any taxpayer has paid a substantially similar tax to any other taxing jurisdiction on any payroll expense taxed under this Article, the tax paid to such taxing jurisdiction shall be credited against the tax due under this Article.

(g) Nothing in this Article shall be construed as requiring the payment of any tax for engaging in a business or the doing of an act when such payment would be in violation of the Constitution or a statute of the United States or of the Constitution or a statute of the State of California.

SEC. 906A. ENTERPRISE ZONE TAX CREDIT.

(a) A credit against this tax shall be allowed for each person who maintains a fixed place of business within the San Francisco Enterprise Zone and who, between January 1, 1992 and the effective date of this legislation, creates one or more new jobs and hires employees who qualify under Subsection (b) of this Section; provided, however, that in no event shall the tax credit reduce a person’s tax liability to less than zero. Moreover, the tax credits shall only serve as an offset against the additional tax that would be paid as a result of additional hiring by a business within the zone. Each person claiming this credit shall file with the Tax Collector, on a form prescribed by the Tax Collector, an affidavit attesting to facts establishing his or her entitlement to the tax credit; said affidavit shall be supported by state tax credit forms (EDD, DSS, and PIC).

(1) The eligible wages to which the percentage is applied shall be limited to wages paid for work performed by the qualified employee while physically present within San Francisco.

(2) The percentage to be applied to eligible wages shall depend upon the employee’s duration of employment as follows:

Moreover, the tax credits shall only serve as an offset against the tax that would be paid as a result of hiring by a business within the zone. Each person claiming this credit shall file with the Tax Collector, on a form prescribed by the Tax Collector, an affidavit attesting to facts establishing his or her entitlement to the tax credit; said

SEC. 906.1. BIOTECHNOLOGY EXCLUSION.

(a) Any person engaging in biotechnology business within the city may exclude from their
payroll expense all compensation paid to, on behalf of or for the benefit of all employees of that person,
and all distributions by an Association by way of salary to those having an ownership interest in such
Association, who or that perform substantially all work or render substantially all services in direct
support of such person’s biotechnology business, subject to the conditions and limitations set forth in
this Section. For purposes of this Section, outside contractors shall not be considered employees of the
biotechnology business. For purposes of this Section, “biotechnology business” means conducting
biotechnology research and experimental development, and operating laboratories for biotechnology
research and experimental development, using DNA, cells, and/or bioprocessing techniques, as well as
the application thereof to the development of therapeutics, diagnostic products and/or devices to
improve human health, animal health, and agriculture.

(b) For purposes of this section, “DNA” is a nucleic acid sequence, or fragment thereof, that
contains the genetic information for cell growth, division, and function. Examples of DNA include
recombinant DNA, RNA, mRNA, antisense, RNAi, genes and ESTs.

(c) For purposes of this section, “cells” are membrane bound structures containing
biomolecules, such as nucleic acids, proteins, and polysaccharides. This definition includes both
prokaryotic (bacterial) and eukaryotic (animal or plant) cells. Examples include primary cells,
transformed or cultured cells, stem cells, iPS, ESCs, fused cells and cell lines.

(d) For purposes of this section, “bioprocessing” is the use of microbial, plant, or animal cells
or portions thereof, for the production of therapeutics or diagnostics. Bioprocessing includes the

using filtration, purification, precipitation, centrifugation, solvents, chromatography or other means.

(e) The biotechnology exclusion authorized under this Section shall be available to and may be
taken by each person engaging in the biotechnology business in the City for a period of seven and one-
half years from the effective date of this Section or the commencement of the person’s biotechnology
business in the City, whichever is later. The date the Director of Public Health or his or her designee
received the person’s application for a business registration certificate for the person’s biotechnology
business shall be presumed to be the date of commencement of such business unless the person
establishes a different commencement date to the satisfaction of the Tax Collector.

(f) In order to be eligible for the payroll expense tax exclusion authorized under this Section,
persons wishing to claim the exclusion must:

(i) Complete and submit an initial application to the Director of the Department of
Public Health or his or her designee for review and evaluation. The Director of the Department of
Public Health, or his or her designee shall have authority to develop eligibility criteria for the biotechnology exclusion, which shall include participation in the City’s First Source Hiring Program as defined in Section 83.4 of the Administrative Code.

(2) After approval, file an annual affidavit with the Department of Public Health affirming that they continue to meet the eligibility criteria as determined by the Department of Public Health. The affidavit must be filed with the Department of Public Health on or before January 31 of every year after the year the application is first approved.

(3) Maintain a reasonable method of documentation that can be reviewed or verified objectively that tracks how employees whose compensation qualifies for the payroll expense tax exclusion spend their time at work, and provide such documentation to the Tax Collector upon request.

(4) File an annual Payroll Expense Tax Return with the Tax Collector regardless of the amount of tax liability shown on the return after claiming the exclusion provided for in this Section.

(5) File annual affidavits with the Office of Economic and Workforce Development detailing the total number of individuals hired, the number of individuals hired who were referred by the San Francisco Workforce Development System, and the duration of employment for each individual hired. The affidavits must be filed with the Office of Economic and Workforce Development on or before January 31 of every year after the year the application is first approved.

(g) The biotechnology exclusion authorized under this Section shall expire on the tenth anniversary date of the effective date of this Section. Unless exempted under Sections 906 of this Article, every person engaging in the biotechnology business in the City shall pay the tax imposed under this Article on the full amount of the person’s payroll expense attributable to the City from and after the expiration of this Section.

(h) If a person’s taxable payroll for any year does not exceed the small business exemption amount as defined in Section 905-A, the person shall be exempt from payment of the Payroll Expense Tax for that year.
(i) The Tax Collector shall submit an annual report to the Board of Supervisors for each year for which the biotechnology exclusion authorized under this Section is available that sets forth aggregate information on the dollar value of the biotechnology exclusions taken each year, the number of businesses taking the exclusion, the change in the number of biotechnology businesses engaging in business in the City, and any increase or decrease in the number of jobs in the biotechnology business sector compared to the number of jobs in the biotechnology business sector for the immediately preceding calendar year.

(d) If the final judicial decision in San Francisco Superior Court Case No. CGC-19-573230 (City and County of San Francisco v. ALL PERSONS INTERESTED IN THE MATTER OF Proposition C on the November 6, 2018 San Francisco ballot, authorizing an increase in specified business taxes to fund specified homeless services in San Francisco, and all matters and proceedings related thereto) has the effect of invalidating the Homelessness Gross Receipts Tax in Article 28 of the Business and Tax Regulations Code, then for tax years beginning on or after January 1 of the tax year following the date on which such court decision becomes final, the phrase “over $25,000,000” in Section 953.7(a)(2) shall be replaced with the phrase “between $25,000,000.01 and $50,000,000” and there shall be added to the rate tiers in that Section an additional rate tier for taxable gross receipts over $50,000,000 with a rate of 0.835%. SEC. 953.8. TAX ON ADMINISTRATIVE OFFICE BUSINESS ACTIVITIES.

(a) Except as provided in this Section 953.8, notwithstanding any other provision of this Article 12-A-1 and in lieu of the other taxes provided by this Article and Article 12-A for any person or combined group, commencing on the Operative Date of the Gross Receipts’ Tax Ordinance, every person engaging in business within the City as an administrative office, as defined below, shall pay an annual administrative office tax measured by its total payroll expense that is attributable to the City. If a person is a member of a combined group, then its tax shall be measured by the total payroll expense of the combined group attributable to the City. Such combined group shall pay only the administrative office tax. Except as provided in Section 953.8(i), the administrative office tax rate for each tax year is 1.400 percent.

(1) For tax years beginning on or after January 1, 2014 and ending on or before December 31, 2020, 1.4%.

(2) For tax years beginning on or after January 1, 2021, 1.68%.

* * * *

(f) “Payroll expense” for purposes of this Section 953.8 means the compensation paid to, on behalf of, or for the benefit of an individual, including shareholders of a professional corporation or a Limited Liability Company (“LLC”), including salaries, wages, bonuses, commissions, property issued or transferred in exchange for the performance of services (including but not limited to stock options), compensation for services to owners of pass-through entities, and any other form of compensation, who during any tax year, perform work or render services, in whole or in part in the City; and if more than one individual or shareholders of a professional corporation or members of an LLC, during any tax year performs work or renders services in whole or in part in the City, the term “Payroll Expense” means the total compensation paid including salaries, wages, bonuses, commissions, property issued or transferred in exchange for the performance of services (including but not limited to stock options), in addition to any compensation for services to owners of pass-through
entities, and any other form of compensation for services, to all such individuals and shareholders of a professional corporation or members of an LLC. For purposes of this definition of payroll expense:

(1) Any person that grants a service provider a right to acquire an ownership interest in such person in exchange for the performance of services shall include in its payroll expense for the tax year in which such right is exercised an amount equal to the excess of (A) the fair market value of such ownership interest on the date such right is exercised over (B) the price paid for such interest. This Section 953.8(f)(1) shall not apply for purposes of determining whether a person is engaging in business within the City as an administrative office, but shall apply for all other purposes of this Section 953.8.

(2) Any individual compensated in his or her capacity as a real estate salesperson or mortgage processor shall be deemed an employee of the real estate broker or mortgage broker for or under whom such individual performs services, and any compensation received by such individual, including compensation by way of commissions, shall be included in the payroll expense of such broker. For purposes of this Section 953.8(f), “real estate broker” and “mortgage broker” refer to any individual licensed as such under the laws of the State of California who engages the services of salespersons or a salesperson, or of mortgage processors or a mortgage processor, to perform services in the business which such broker conducts under the authority of his or her license; a “salesperson” is an individual who is engaged by a real estate broker to perform services, which may be continuous in nature, as a real estate salesperson under an agreement with a real estate broker, regardless of whether the individual is licensed as a real estate broker under the laws of the State of California; a “mortgage processor” is an individual who is engaged by a real estate broker or mortgage broker to perform services which may be continuous in nature, as a mortgage processor under an agreement with such real estate broker or mortgage broker, regardless of whether the mortgage processor is also licensed as a mortgage broker under the laws of the State of California.
(3) All compensation, including all pass-through compensation for services paid to, on behalf of, or for the benefit of owners of a pass-through entity, shall be included in the calculation of such entity’s payroll expense tax base for purposes of determining such entity’s tax liability under this Section 953.8. For purposes of this Section 953.8(f), the “pass-through compensation for services” of a pass-through entity shall be the aggregate compensation paid by such entity for personal services rendered by all such owners, and shall not include any return on capital investment. The taxpayer may calculate the amount of compensation to owners of the entity subject to the administrative office tax in this Section 953.8, or the taxpayer may presume that, in addition to amounts reported on a W-2 form, the amount subject to the administrative office tax is, for each owner, an amount that is 200% of the average annual compensation paid to, on behalf of, or for the benefit of the employees of the pass-through entity whose compensation is in the top quartile (i.e., 25%) of the entity’s employees who are based in the City; provided, the total number of employees of the entity based in the City is not less than four shall have the meaning given to that term by Sections 902.1 et seq. of Article 12-A, except that Section 902.1(b) of Article 12-A shall not apply for purposes of determining whether a person is engaging in business within the City as an administrative office. Section 902.1(b) shall apply for all other purposes under this Section.

(4) The portion of the payroll expense of a person or combined group that is attributable to the City shall be determined as set forth in Section 904 of Article 12-A. Where payroll expense is incurred by reason of work performed or services rendered by an individual wholly within the City, all of the payroll expense for such individual shall be attributable to the City and subject to tax under this Section 953.8. Where payroll expense is incurred by reason of work performed or services rendered by an individual partly within and partly without the City, the portion of such payroll expense attributable to the City (and subject to tax under this Section) shall be determined as follows:

(A) Except as otherwise provided in this Section 953.8(f)(4), the portion of such payroll expense attributable to the City shall be the portion of such payroll expense which the total
number of working hours employed within the City bears to the total number of working hours within and without the City.

(B) If the amount of such payroll expense depends on the volume of business transacted by such individual, then the portion of such payroll expense attributable to the City shall be the portion of such payroll expense which the volume of business transacted by such individual in the City bears to the volume of business transacted by such individual within and without the City.

(C) If it is impracticable, unreasonable or improper to apportion such payroll expenses as aforesaid either because of the particular nature of the services of such individual, or on account of the unusual basis of compensation, or for any other reason, then the amount of such payroll earnings reasonably attributable to work performed or services rendered in the City shall be determined on the basis of all relevant facts and circumstances of the particular case, in accordance with any rulings or regulations issued or promulgated by the Tax Collector for the purpose.

(D) If the Tax Collector determines that the percentage of payroll expenses attributable to the City, for any one or more persons, is a relatively stable percentage, the Tax Collector may establish that percentage as a prima facie evidence of payroll expense attributable to the City; provided, that the Tax Collector shall condition the establishment of such fixed percentage upon the obligation of the taxpayer to report immediately to the Tax Collector any significant change in the taxpayer’s mode of business which may impact the portion of the person’s payroll expense which is attributable to the City; and, provided further, that the Tax Collector may rescind any such fixed percentage at any time by providing written notice to the taxpayer of such rescission.

(i) If the final judicial decision in San Francisco Superior Court Case No. CGC-19-573230 (City and County of San Francisco v. ALL PERSONS INTERESTED IN THE MATTER OF Proposition C on the November 6, 2018 San Francisco ballot, authorizing an increase in specified business taxes to fund specified homeless services in San Francisco, and all matters and proceedings
related thereto) has the effect of invalidating the Homelessness Gross Receipts Tax in Article 28 of the Business and Tax Regulations Code, then for tax years beginning on or after January 1 of the tax year following the date on which such court decision becomes final the rate in Section 953.8(a)(2) shall be 3.18%. This increased rate shall continue in effect for 10 tax years, after which the rate shall return to what the rate would have been absent the increase in this Section 953.8(i).

SEC. 953.9. PERSONS OR COMBINED GROUPS ENGAGED IN MULTIPLE BUSINESS ACTIVITIES.

If a person, or a combined group as described in Section 956.3, engages in business activities described in more than one of Sections 953.1 through 953.7, inclusive, of this Article, Sections 953.1(a)(2)(A) through (C), inclusive, Sections 953.2(a)(2)(A) through (D), inclusive, Sections 953.3(a)(2)(A) and (B), or Sections 953.6(a)(2)(A) and (B), the rate or rates of gross receipts tax to be applied to that person or combined group, and the method for determining gross receipts in the City, shall be determined as follows:

(a) If more than 80% of its gross receipts, determined in accordance with Section 956, are derived from business activities described in only one of Sections 953.1 through 953.7, inclusive, then the rules of that applicable Section apply to all of its gross receipts derived from all business activities. If the Section from which the person or combined group derived more than 80% of its gross receipts includes different rates for different business activities described in that Section, then the rates applicable to the gross receipts that are deemed to be from business activities described in that Section shall be the rates that apply to the business activities within that Section from which the person or combined group derived the most taxable gross receipts, or if there is not a single business activity within that Section from which the person or combined group derived the most taxable gross receipts because the person or combined group derived the same amount of taxable gross receipts from one or more business activities within the Section, then the rates...
applicable to the gross receipts that are deemed to be from business activities described in that Section shall be the highest rates within that Section that apply to business activities from which the person or combined group derived the same amount of taxable gross receipts.

(b) If its business activities in the City are described in more than one of Sections 953.1 through 953.7, inclusive, Sections 953.1(a)(2)(A) through (C), inclusive.

Sections 953.2(a)(2)(A) through (D), inclusive, Sections 953.3(a)(2)(A) and (B), or Sections 953.6(a)(2)(A) and (B), and subsection (a) of this Section 953.9 does not result in the person or combined group’s gross receipts being subject to the rates in only one Section and Subsection apply, then such person or combined group shall separately compute the gross receipts tax for each set of business activities as provided in the Section or Subsection applicable to that particular set of business activities, modified as follows:

(1) if the set of business activities described in any of Sections 953.1 through 953.7, inclusive, generates less than 20\% of the total gross receipts of the person or combined group, then the receipts and payroll of any such set of activities may be combined for all purposes related to computing the gross receipts tax with whichever set of that person’s or combined group’s activities are taxed at the highest rate;

(2) the small business exemption provided in Section 954.1 shall apply only if the sum of receipts within the City from all sets of business activities does not exceed $1,000,000, the applicable threshold in Section 954.1 in total;

(3) the progressive rates described in Sections 953.1 through 953.7, and the Subsections within those Sections, apply on an aggregate basis for businesses with multiple sets of activities;

(4) the applicable rate for each set of business activities shall be determined in numbered order of the Sections and Subsections describing each set of business activities; i.e., the gross receipts and tax for business activities described in Section 953.1(a)(2)(A)
should be determined first, *Section 953.1(a)(2)(B)* second, *Section 953.1(a)(2)(C)* third,

*Section 953.2(a)(2)(A)* fourth second, and so on;

(5) the rate(s) applicable to any set of activities after the first shall be determined by adding together the gross receipts determined for all previous sets of activities and applying the rate scale commencing with the total gross receipts so determined; and

(6) the gross receipts tax liability for the person or combined group shall be the sum of the liabilities for each set of business activities.

**SEC. 954. EXEMPTIONS AND EXCLUSIONS.**

(a) Except as provided in subsection (b) of this Section, an organization that is exempt from income taxation by Chapter 4 (commencing with Section 23701) of Part 11 of Division 2 of the *California* Revenue and Taxation Code or Subchapter F (commencing with Section 501) of Chapter 1 of Subtitle A of the Internal Revenue Code of 1986, as amended, as qualified by Sections 502, 503, 504, and 508 of the Internal Revenue Code of 1986, as amended, shall be exempt from taxation under this Article [12-A-1], only so long as those exemptions continue to exist under state or federal law.

(b) An organization otherwise exempt from income taxation under subsection (a) that is directly engaged within the City in an unrelated trade or business within the meaning of Section 513(a) of the Internal Revenue Code of 1986, as amended, and has, from its own operations, unrelated business taxable income within the meaning of Section 512(a)(1) of the Internal Revenue Code of 1986, as amended, shall pay the gross receipts tax on its gross receipts from its unrelated trade or business activities that are attributable to the City. If it is impracticable, unreasonable or improper to allocate such organization’s gross receipts as aforesaid either because of the particular nature of the organization’s unrelated trade or business or for any other reason, then the amount of gross receipts reasonably attributable to the organization’s unrelated trade or business in the City shall be
determined on the basis of all of the relevant facts and circumstances of the particular case, in accordance with any rulings or regulations issued or promulgated by the Tax Collector for this purpose.

\(^{(be)}\) Gross receipts as defined in Section 952.3 shall not include receipts from business activities if, and only so long as and to the extent that, the City is prohibited from taxing such receipts under the Constitution or laws of the United States or under the Constitution or laws of the State of California.

\(^{(cd)}\) Rent Controlled Buildings Exclusion. A person subject to the tax may exclude from gross receipts in any tax year 50% of the total amount received from the rental of real property to tenants in occupancy at any location in the City, which is subject to limits on rent increases pursuant to the Residential Rent Stabilization and Arbitration Ordinance, San Francisco Administrative Code, Chapter 37, Section 37.1 et seq.

\(^{(de)}\) Exclusion of Certain Sales of Real Property. Gross receipts as defined in Section 952.3 shall not include receipts from any sales of real property with respect to which the Real Property Transfer Tax imposed by Article 12-C has been paid to the City.

\(^{(ef)}\) For only so long as and to the extent that the City is prohibited from imposing the tax under this Article 12-A-1, the following persons shall be exempt from the gross receipts tax:

1. Banks and financial corporations exempt from local taxation under Article XIII, Section 27 of the California Constitution and Revenue and Taxation Code Section 23182;
2. Insurance companies exempt from local taxation under Article XIII, Section 28 of the California Constitution;

(4) Persons engaging in intercity transportation as a household goods carrier under Public Utilities Code Section 5327;

(5) Charter-party carriers operating limousines that are neither domiciled nor maintain a business office within the City under Public Utilities Code Section 5371.4; and

(6) Any person upon whom the City is prohibited under the Constitution or laws of the State of California from imposing the gross receipts tax.

(g) To the extent that any taxpayer has paid a substantially similar tax to any other taxing jurisdiction on any gross receipts attributed to the City and taxed under this Article, the tax paid to such taxing jurisdiction shall be credited against the tax due under this Article; in no event shall this credit reduce the taxpayer’s liability to less than zero.

SEC. 954.1. SMALL BUSINESS EXEMPTION.

(a) Notwithstanding any other provision of this Article 12-A-1, a “small business enterprise,” as hereinafter defined for purposes of this Article, shall be exempt from payment of the gross receipts tax, nevertheless, a small business enterprise shall pay the annual registration fee pursuant to Section 855 of Article 12.

(b) For purposes of this Article 12-A-1, the term “small business enterprise” shall mean and include

(1) For tax years beginning on or after January 1, 2014 and ending on or before December 31, 2020, any person or combined group, except for a lessor of residential real estate, whose gross receipts within the City for the preceding tax year did not exceed $1,000,000, adjusted annually in accordance with the increase in the Consumer Price Index: All Urban Consumers for the San Francisco/Oakland/San Jose Area for All Items as reported by the United States Bureau of Labor Statistics, or any successor to that index, as of December 31 of the preceding year, beginning with December 31, 2014.
(2) For tax years beginning on or after January 1, 2021, any person or combined group, except for a lessor of residential real estate, whose gross receipts within the City did not exceed $1,500,000, adjusted annually in accordance with the increase in the Consumer Price Index: All Urban Consumers for the San Francisco/Oakland/San Jose Area for All Items as reported by the United States Bureau of Labor Statistics, or any successor to that index, as of December 31 of the preceding year, beginning with December 31, 2021.

(c) For purposes of this Article 12-A-1, and notwithstanding any other provision of this Section 954.1, a lessor of residential real estate is a “small business enterprise” if and only if the lessor leases fewer than 4 units in any individual building. “Residential real estate” means real property where the primary use of or right to use the property is for the purpose of dwelling, sleeping or lodging other than as part of the business activity of accommodations. For purposes of this Article 12-A-1, Article 12-A, and Article 12, a lessor of residential real estate is treated as a separate person with respect to each individual building in which it leases residential real estate units, notwithstanding Section 6.2-15 of Article 6, or Section 956.3 of this Article 12-A-1. The provisions of this subsection (c) apply only to leasing residential real estate units within a building, and not to any business activity related to other space, either within the same building or other buildings, which is not residential real estate. The Tax Collector is authorized to determine what constitutes a separate building and the number of units in a building.

SEC. 956.2. APPORTIONMENT OF RECEIPTS BASED ON PAYROLL.

(e) Compensation paid in the City shall be determined as set forth in Section 953.8(f)(4) of Article 12-A.

(a) Commencing on the operative date of the Gross Receipts Tax Ordinance, the Controller shall compute the rate of gross receipts tax for Sections 953.1 through 953.7 in accordance with subsection (b) of this Section. The Controller shall certify and publish such rates on or before September 1 of each year.

(b) Gross Receipts Tax Computation. The Controller shall compute the gross receipts tax rates for each tax year by multiplying each base rate in Sections 953.1 through 953.7 by the “Gross Receipts Tax Rate Adjustment Factor,” which shall be determined according to the following table and formulas, but no gross receipts tax rate shall exceed the base rates provided by Sections 953.1 through 953.7.

(c) Notwithstanding any other provision of this Article, in any year in which the payroll expense tax rate determined under Section 903.1 of Article 12-A is zero, the gross receipts tax rates for that year and all future years shall be as the Controller computed for that year, except that for tax year 2021 and all future years, the rate under Section 953.7(a), for gross receipts over $25,000,000 only, shall be the sum of the rate established under this Section 959(c) and 0.025%. In no event shall the rate established under Section 953.7(a) by the preceding sentence, for gross receipts over $25,000,000, exceed 0.325%. The Controller shall certify and publish such rates by September 1 of that year.
(d) Notwithstanding any other provision of this Article, the gross receipts tax rates for 2019 and all future years shall be the rates in effect in tax year 2018, except that for tax year 2021 and all future years, the rate under Section 953.7(a), for gross receipts over $25,000,000 only, shall be the sum of the rate established under this Section 959(c) and 0.025%. In no event shall the rate established under Section 953.7(a) by the preceding sentence, for gross receipts over $25,000,000, exceed 0.325%. The Controller shall certify and publish such rates on or before September 1, 2019, at which time the Controller’s duty to compute, certify and publish the payroll expense tax rate shall cease.

(a) “Payroll Expense Tax Exclusion Credit” means the dollar amount by which a person would have been able to reduce its payroll expense tax liability pursuant to the Enterprise Zone Tax Credit under former Section 906A of Article 12-A, the Biotechnology Exclusion under former Section 906.1 of Article 12-A, and/or the Clean Technology Business Exclusion under former Section 906.2 of Article 12-A, as if the payroll expense tax were in full force and effect and calculated at a rate of 1.5%.

(b) “Combined Business Tax Liability” means the sum of the gross receipts tax and the former payroll expense tax a person owes for a tax year.

(c) For so long as a particular payroll expense tax exclusion listed under subsection (a) is would have been in effect had the payroll expense tax not been repealed, without regard to whether the payroll expense tax is otherwise in effect, a person may credit against its combined business tax liability for a tax year the amount of a particular payroll expense tax exclusion credit to which it would have been entitled under the former payroll expense tax; however, in no event shall such credit reduce a person’s combined business tax liability to less than zero. Any person who claims the credit under this Section 960 must meet all of the eligibility requirements of the former payroll expense tax exclusion(s) it claims. The credit may be
claimed against the tax liability only of the person who would have qualified for the former payroll expense tax exclusion and not against any liability of related entities or other members of that person’s combined group.

SEC. 961. CENTRAL MARKET STREET LIMIT.

(a) The “Central Market Street Limit” means a person’s payroll expense tax liability for a tax year as determined under the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion under Section 906.3 of Article 12-A, calculated at a rate of 1½ percent.

(c) For so long as the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion is in effect, without regard to whether the payroll expense tax is otherwise in effect, a person shall owe the lesser of its combined business tax liability or the amount of its Central Market Street limit. Any person who claims the Central Market Street and Tenderloin Area Payroll Expense Tax Exclusion must meet all of the eligibility requirements of that exclusion.

SEC. 965. SAVINGS CLAUSE.

(a) No section, clause, part or provision of this Article 12-A-1 shall be construed as requiring the payment of any tax that would be in violation of the Constitution or laws of the United States or of the Constitution or laws of the State of California. Except as provided in subsection (b) of this Section 965, if any section, clause, part or provision of this Article, or the application thereof to any person or circumstance, is held invalid or unconstitutional, the remainder of this Article, including the application of such part or provision to other persons or
circumstances, shall not be affected thereby and shall continue in full force and effect. To this
end, the provisions of this Article are severable.

(b) If the imposition of the gross receipts tax in Section 953, or any portion of the rate
computation under Section 959, of this Article is held in its entirety to be facially invalid or
unconstitutional in a final court determination, the remainder of this Article 12-A-1 shall be null
and void and of no force and effect, and the City Attorney shall cause it to be removed from the
Business and Tax Regulations Code. For any tax year for which this Article is invalidated pursuant to
this Section, the payroll expense tax provided by Article 12-A may be assessed against any person
engaging in business in the City during that tax year as if this Ordinance had not been passed, except

Article 6.

(a) Except as otherwise provided in this Article 36, for the privilege of engaging in the business of leasing Commercial Space in properties in the City, the City imposes an annual Commercial Rents Tax on each person engaged in business within the City that receives gross receipts from the lease of Commercial Space in properties in the City. For purposes of this Article 36, the term “lease” includes any “sublease.”
(b) The Commercial Rents Tax shall be calculated by applying the following percentages to the person or combined group’s gross receipts from the lease of Commercial Space in properties in the City:

1. 1% to the person or combined group’s gross receipts from the lease of Warehouse Space in properties in the City; and

2. 3.5% to the person or combined group’s gross receipts from the lease of all other Commercial Space in properties in the City.

SEC. 3604. OPERATIVE DATES OF TAX.

If the final judicial decision in San Francisco Superior Court Case No. CGC-18-568657 (Howard Jarvis Taxpayers Association et al. v. City and County of San Francisco et al.) has the effect of invalidating the Early Care and Education Commercial Rents Tax in Article 21 of the Business and Tax Regulations Code, then the Commercial Rents Tax in this Article 36 shall become operative for tax years beginning on or after January 1 of the tax year following the date on which such court decision becomes final, and shall continue in effect for 10 tax years, after which it shall cease to apply and the City Attorney shall cause this Article 36 to be removed from the Business and Tax Regulations Code.

SEC. 3605. EXEMPTIONS AND EXCLUSIONS.

(a) An organization that is exempt from income taxation by Chapter 4 (commencing with Section 23701) of Part 11 of Division 2 of the California Revenue and Taxation Code or Subchapter F (commencing with Section 501) of Chapter 1 of Subtitle A of the Internal Revenue Code of 1986, as amended, as qualified by Sections 502, 503, 504, and 508 of the Internal Revenue Code of 1986, as amended, shall be exempt from taxation under this Article 36, only so long as those exemptions continue to exist under state or federal law.
(b) For purposes of this Article 36, gross receipts from the lease of Commercial Space shall not include receipts from the leasing of Commercial Space to: (1) organizations described in subsection (a) of this Section 3605; or (2) federal, state, or local governments.

(c) For purposes of this Article 36, gross receipts from the lease of Commercial Space shall not include receipts from business activities if, and only so long as and to the extent that, the City is prohibited from taxing such receipts under the Constitution or laws of the United States or under the Constitution or laws of the State of California.

(d) For only so long as and to the extent that the City is prohibited from imposing the Commercial Rents Tax, any person upon whom the City is prohibited under the Constitution or laws of the State of California or the Constitution or laws of the United States from imposing the Commercial Rents Tax shall be exempt from the Commercial Rents Tax.

(e) For purposes of this Article 36, gross receipts from the lease of Commercial Space shall not include rent that is subject to the tax imposed under Articles 7 or 9 of the Business and Tax Regulations Code, and shall not include rent that would be subject to the tax imposed under Article 7 or Article 9 but for the exemptions from that tax under Section 506 of Article 7 or Section 606 of Article 9.

SEC. 3606. SMALL BUSINESS EXEMPTION.

Tax for that tax year. If a person entitled to the credit under this Section 3607 is required to file a
Commercial Rents Tax return on a combined basis under Section 3608, the credit may be claimed
against the Commercial Rents Tax liability required to be reflected on the combined return for that tax
year. In no event shall the credit allowed under this Section 3607 reduce a person or combined
group’s Commercial Rents Tax liability for any tax year to less than zero, and no credit shall be
allowed as a carryforward to a subsequent tax year.

(b) For purposes of this Section 3607, the credit for a tax year shall be based on the total
number of Infants, Toddlers, and Preschool-Age Children for which the Qualifying Child Care Facility
is licensed by the California Department of Social Services to provide care and shall be in the amount
prescribed in the table below.

(2) File a timely annual Commercial Rents Tax return regardless of the amount of liability, if any, shown on the return after claiming the credit provided for in this Section 3607.

(e) The Tax Collector shall verify that any credit claimed pursuant to this Section 3607 is correct. The Office of Early Care and Education, or any successor agency, shall provide to the Tax Collector upon request such information that the Tax Collector may require to verify that a Qualifying Child Care Facility for which the credit is claimed meets the eligibility requirements of this Section 3607, and the Tax Collector may share taxpayer information with the Office of Early Care and Education, or any successor agency, for this purpose. To the extent permitted by law, the Office of Early Care and Education, or any successor agency, shall maintain the confidentiality of any such information that the Tax Collector provides, and shall be subject to Section 6.22-1 of Article 6 of the Business and Tax Regulations Code with respect to such information.

(f) The Tax Collector shall submit an annual report to the Board of Supervisors for each year for which the credit authorized under this Section 3607 is available, that sets forth aggregate information on the dollar value of the credits taken each year and the number of persons taking the credit.
SEC. 3608. FILING; COMBINED RETURNS.

(a) Persons subject to the Commercial Rents Tax shall file returns at the same time and in the same manner as returns filed for the gross receipts tax (Article 12-A-1), including the rules for combined returns under Section 956.3, as amended from time to time.

(b) If a person is subject to the Commercial Rents Tax but is not required to file a gross receipts tax return, such person or combined group’s Commercial Rents Tax return shall be filed at the same time and in the same manner as if such person or combined group were required to file a gross receipts tax return.

(c) For purposes of this Article 36, a lessor of residential real estate is treated as a separate person with respect to each individual building in which it leases residential real estate units, notwithstanding Section 6.2-15 of Article 6, as amended from time to time, or subsection (a) of this Section 3608. This subsection (c) applies only to leasing residential real estate units within a building, and not to any business activity related to other space, either within the same building or other buildings, which is not residential real estate. The Tax Collector is authorized to determine what constitutes a separate building and the number of units in a building.

SEC. 3609. TAX COLLECTOR AUTHORIZED TO DETERMINE GROSS RECEIPTS.

The Tax Collector may, in his or her reasonable discretion, independently establish a person or combined group’s gross receipts from the lease of Commercial Space in properties in the City and establish or reallocate gross receipts among related entities so as to fairly reflect the gross receipts from the lease of Commercial Space in properties in the City of all persons and combined groups.
SEC. 3610. CONSTRUCTION AND SCOPE OF THE COMMERCIAL RENTS TAX ORDINANCE.

(a) This Article 36 is intended to authorize application of the Commercial Rents Tax in the broadest manner consistent with its provisions and with the California Constitution, the United States Constitution, and any other applicable provision of federal or state law.

(b) The Commercial Rents Tax imposed by this Article 36 is in addition to all other City taxes, including the gross receipts tax imposed by Article 12-A-1 of the Business and Tax Regulations Code, as amended from time to time. Accordingly, by way of example and not limitation, persons subject to both the Commercial Rents Tax and the gross receipts tax shall pay both taxes. Persons exempt from either the gross receipts tax or the Commercial Rents Tax, but not both, shall pay the tax from which they are not exempt.

SEC. 3611. ADMINISTRATION OF THE COMMERCIAL RENTS TAX ORDINANCE.

Except as otherwise provided under this Article 36, the Commercial Rents Tax Ordinance shall be administered pursuant to Article 6 of the Business and Tax Regulations Code, as amended from time to time.

SEC. 3612. DEPOSIT OF PROCEEDS.

SEC. 3613. AMENDMENT OF ORDINANCE.

The Board of Supervisors may amend or repeal this Article 36 by ordinance without a vote of the people except as limited by Article XIII C of the California Constitution.
SEC. 3614. EFFECT OF STATE AND FEDERAL AUTHORIZATION.

To the extent that the City’s authorization to impose or to collect any tax imposed under this Article 36 is expanded or limited as a result of changes in state or federal statutes, regulations, or other laws, or judicial interpretations of those laws, no amendment or modification of this Article shall be required to conform the taxes to those changes, and the taxes are hereby imposed in conformity with those changes, and the Tax Collector shall collect them to the full extent of the City’s authorization up to the full amount and rate of the taxes imposed under this Article.

SEC. 3615. SEVERABILITY.

(a) Except as provided in Section 3615(b), below, if any section, subsection, sentence, clause, phrase, or word of this Article 36, or the application thereof to any person or circumstance, is for any reason held to be invalid or unconstitutional by a decision of any court of competent jurisdiction, such decision shall not affect the validity of the remaining portions of this Article, including the application of such portions to other persons or circumstances. The People of the City and County of San Francisco hereby declare that, except as provided in Section 3615(b), they would have adopted each section, subsection, sentence, clause, phrase, and word of this Article not declared invalid or unconstitutional without regard to whether any other portion of this Article would be subsequently declared invalid or unconstitutional.

(b) If the imposition of the Commercial Rents Tax in Section 3603 of this Article 36 is held in its entirety to be facially invalid or unconstitutional in a final judicial decision, the remainder of this Article 36 shall be void and of no force and effect, and the City Attorney shall cause it to be removed from the Business and Tax Regulations Code.
SEC. 3616. SAVINGS CLAUSE.

No section, clause, part, or provision of this Article 36 shall be construed as requiring the payment of any tax that would be in violation of the Constitution or laws of the United States or of the Constitution or laws of the State of California.

Section 7. Notwithstanding Articles 21 and 28 of the Business and Tax Regulations Code, nothing in this ordinance shall increase the amount of any tax imposed under Article 21 or Article 28.

Section 8. Appropriations Limit Increase. Pursuant to California Constitution Article XIII B and applicable laws, for four years from November 3, 2020, the appropriations limit for the City shall be increased by the revenues collected under Articles 12-A-1 and 36 of the Business and Tax Regulations Code.

Section 9. Scope of Ordinance. In enacting this ordinance, the People of the City and County of San Francisco intend to amend only those words, phrases, paragraphs, subsections, sections, articles, numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal Code that are explicitly shown in this ordinance as additions or deletions, in accordance with the “Note” that appears under the official title of the ordinance.

Section 10. The unchanged code text in Section 2 of this ordinance assumes that the Board of Supervisors ordinance in Board File No. ___________, amending Section 6.9-3 of the Business and Tax Regulations Code, is enacted before November 3, 2020. If such
ordinance has not been enacted by that time, the City Attorney’s Office is directed to make the necessary conforming language changes to Section 6.9-3.

Section 11. Severability. If any section, subsection, sentence, clause, phrase, or word of this ordinance, or any application thereof to any person or circumstance, is held to be invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision shall not affect the validity of the remaining portions or applications of the ordinance. The People of the City and County of San Francisco hereby declare that they would have adopted this ordinance and each and every section, subsection, sentence, clause, phrase, and word not declared invalid or unconstitutional without regard to whether any other portion of this ordinance or application thereof would be subsequently declared invalid or unconstitutional.

Section 12. Effective and Operative Dates.

(a) The effective date of this ordinance shall be ten days after the date the official vote count is declared by the Board of Supervisors.

(b) The operative date of this ordinance shall be January 1, 2021, except for the repeal of Business and Tax Regulations Code Section 906.3-1 in Section 4 of this ordinance, which shall be operative on February 1, 2021.

Section 13. Conflicting Measures.

(a) The voters intend to adopt at the November 3, 2020 consolidated general election only one measure that amends Article 12-A-1 of the Business and Tax Regulations Code.

(b) If the voters adopt this measure and any other measure that amends Article 12-A-1 of the Business and Tax Regulations Code at the November 3, 2020 consolidated general
election and this measure received more affirmative votes than any other such measure, then the other measure or measures shall not become operative in any respect.

(c) This measure shall not become operative in any respect if another measure that amends Article 12-A-1 of the Business and Tax Regulations Code receives more affirmative votes than this measure at the November 3, 2020 consolidated general election.
