b	Unlike the Democrats and Republicans, the Libertarian Party strongly supports the right of people to move freely from one country to another , and to be treated equally by law regardless of where they are from, whether or not a government considers them its "citizens" .	
b	Citizenship is just another unnecessary Big Government program that enables those in power to divide and control people and extort money from them.	
b	Non-citizens in San Francisco are required to pay taxes like other residents. Restricting them from full political participation amounts to taxation without representation , one of the practices against which the American Revolution was fought.	
b	Given that the only legitimacy the government has is derived from the consent of the governed and from upholding human and civil rights on a non-discriminatory basis, its laws must not be allowed to discriminate on the basis of innate characteristics like race, gender, sexual orientation, or national origin.	
b	San Francisco thrives on the skills and perspectives of a diverse population. Let's unleash everyone's full potential!	
b	Libertarians are proud to stand with immigrant communities in supporting Proposition C.
