

Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an electronic copy of your ballot argument text within 24 hours after submission to the Department at publications@sfgov.org.

	<p>Please vote NO on Proposition F.</p> <p>Proposition F is a lengthy and complicated overhaul of existing City business taxes. While this may be a good idea in general, it is difficult to understand its impact on particular businesses right now and the City as a whole. I'm not at all convinced that changing complicated tax rates is needed during a pandemic. I respectfully suggest that Proposition F is not the solution that we need at this time.</p> <p>I also take issue with this ballot measure as a combined charter amendment and ordinance. While the two parts may be closely related, in my opinion they should have been two separate measures, perhaps with language only allowing each one to take effect if both of them passed. Mixing a charter change with an ordinance is not a best practice and it should not be rewarded with your support.</p> <p>Please vote NO on Proposition F. Thank you.</p> <p>David Pilpel</p>
