Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports the ballot measure, or agrees with or endorses the argument, a completed and Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an electronic copy of your ballot argument text within 24 hours after submission to the Department at publications@sfgov.org.

The San Francisco Democratic Party has done our research and we are officially voting yes on the Overpaid Executive Tax.

Prop L is a consensus measure that is widely supported by Democrats across the political spectrum. We know that during this time of crisis, large corporations need to pay their fair share to help us recover.

Prop L is projected to raise $140 million dollars every year, allowing the City to hire hundreds of nurses, doctors, first responders, and other essential healthcare workers.

The Overpaid Executive Tax only applies to large corporations that pay their executives 100 times more than their average worker. Businesses can avoid the tax by paying their executives less or by simply raising their employees' wages.

Republican Party leaders like Richie Greenberg want you to believe that any taxes on corporations are bad. They believe in a city where the richest people don't have to contribute back to society.

Don't believe the scare tactics of the Republican Party. San Francisco is one of the most desirable cities in the United States for companies to be located. A small 0.01% on their corporate taxes will have little to no impact on companies that can afford to pay their CEOs millions of dollars a year.

The choice is clear. Join large corporations and the Republican Party who oppose Prop L.

Or join the San Francisco Democratic Party and hundreds of Democratic leaders and activists to vote YES on Prop L.

Chair of the San Francisco Democratic Party
