Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

It's an arguable point, but I disagree. I respectfully suggest that Proposition D is not the solution that we need at this time.</p> <p>The Sheriff's Department already has an Internal Affairs Unit to conduct administrative investigations and a Training Unit to train sworn personnel. While seeing fewer people in custody, the Sheriff's Department is expanding a relationship with the existing Department of Police Accountability (formerly the Office of Citizen Complaints), as well as referring personnel investigations to other independent outside agencies when circumstances warrant.</p> <p>If you want more government services, you should vote for additional taxes (like Propositions F, I, and L on this ballot) or seek other resources to pay for them.</p> <p>If you support government efficiency and oversight, there are existing tools available, including:</p> <ul style="list-style-type: none">• Board of Supervisors Budget and Legislative Analyst, and its power of hearing and inquiry;• City Attorney investigations and civil enforcement;• Civil Grand Jury investigations and public reports;• Controller's Office fiscal and performance audits;• District Attorney investigations and criminal enforcement; and• Ethics Commission investigations and administrative enforcement of ethics laws. <p>The City Controller says that Proposition D would have a moderate to significant impact on the cost of government. It would certainly add more administration, bureaucracy, and overhead, but no guarantee of any meaningful oversight.</p> <p>We don't need new City Departments, unnecessary spending, or other gimmicks during a pandemic. We should be using existing resources and oversight mechanisms more effectively. Please vote NO on Proposition D. Thank you.</p> <p>David Pilpel</p> <p><i>If handwritten information or a revision is unclear, Department staff will interpret the handwritten information to the best of their abilities; this interpretation is final.</i></p>	# of words per line
