For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

	Please vote NO on Proposition D.	
	The proponents claim that it will create oversight and accountability. I'm a big fan of both, but I don't think Proposition D is the right way to get there.	
	I'm not sure if this is part of a national movement for justice reform, and I'm not convinced that there have been decades of discrimination and unfair treatment, injustices, and abuse by the San Francisco Sheriff's Department.	
	The Sheriff's Department already:	
	<ul style="list-style-type: none">• Conducts internal investigations;• Has a use of force policy;• Investigates in-custody deaths;• Investigates alleged employee misconduct; and• Develops (and implements) policy recommendations.	
	In-custody deaths are all serious and are already investigated by the Sheriff's Department, the Police Department, the Medical Examiner, and the District Attorney, at a minimum.	
	As a state law enforcement agency, the Sheriff's Department has various duties to perform. New responsibilities involving oversight should come from Sacramento and apply uniformly in all 58 California counties.	
	Despite the unanimous vote of the Board of Supervisors, there is still no guarantee of any meaningful oversight or saving any money from settling lawsuits. It's just another new City department that we don't need right now.	
	Please vote NO on Proposition D. Thank you.
