Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Control Sheet Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending a copy of the argument 24 hours after submission to the Department at publications@sfgov.org.

	At first, we were hopeful of the "Business Tax Overhaul" measure. Who wouldn't want to overhaul and streamline a convoluted system of rules designed to extort as much money as possible from local businesses?	
	Unfortunately, our enthusiasm began to dampen... and our eyes began to water... as we perused the 125 pages of the legal text of the measure.	
	Our worst fears were confirmed by the Controller's Office. This is a massive tax increase of approximately \$97 million annually. It also allows the immediate spending of an additional \$1.5 billion dollars that the courts have impounded, as a result of the tax being collected illegally.	
	We should never take money from our hard working residents and businesses, especially when they are struggling.
