Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an electronic copy of this form to the Department at publications@sfecv.org.

Prevent the coming wave of evictions by voting Yes on I.

Across the country, it is expected that millions of renters will be at risk of eviction as eviction bans phase out but unemployment remains. San Francisco is not immune. An estimated 25,000 tenants in San Francisco have not been able to pay their full rent. Tenants who cannot work and pay rent due to coronavirus will face a mountain of debt. Those who are forced to leave rent-controlled apartments may also face significantly higher debt. Prop I is a fair solution. It will relieve tenants of their debt, and keep them secure in their homes. Please join San Francisco's tenant advocacy organizations and vote YES on I.

Homelessness could rise in San Francisco if we don’t vote YES on I.

We work with homeless people everyday, and we see firsthand the terrible impact of the pandemic. Deaths in the homeless population in San Francisco have tripled since March. Shelters have been closed or severely reduced, causing more of our unhoused neighbors to sleep on the streets. As unemployment continues, and tenants can’t pay rent, more vulnerable San Franciscans could end up without homes. Prop I is one part of the solution. It will keep tenants in their homes and provide funding to build permanently affordable housing -- the only real solution. Please vote YES on I.

Homelessness could rise in San Francisco if we don’t vote YES on I.

We work with homeless people everyday, and we see firsthand the terrible impact of the pandemic. Deaths in the homeless population in San Francisco have tripled since March. Shelters have been closed or severely reduced, causing more of our unhoused neighbors to sleep on the streets. As unemployment continues, and tenants can’t pay rent, more vulnerable San Franciscans could end up without homes. Pro I is one part of the solution. It will keep tenants in their homes and provide funding to build permanently affordable housing – the only real solution. Please vote YES on I.

San Francisco’s Democratic leaders ask you to vote YES on I.

Despite the best efforts of our Democratic leaders in Congress, Republicans in Washington, DC have failed on the pandemic and the economy. As a result, we must take action here to protect those most in need. Many actions are necessary, and Prop I is an important part of the solution. It raises the transfer tax on properties valued at $10 million or more. Homeowners and small property owners will not pay more, and nonprofits are exempt. This will raise revenue to fund emergency rent relief and to build affordable housing. Let’s stand together against the wrong-headed policies of Trump and his extremist allies and vote YES on I.

San Francisco’s Democratic leaders ask you to vote YES on I.

Despite the best efforts of our Democratic leaders in Congress, Republicans in Washington DC have failed on the pandemic and the economy. As a result, we must take action here to protect those most in need. Many actions are necessary, and Prop I is an important part of the solution. It raises the transfer tax on properties valued at $10 million or more. Homeowners and small property owners will not pay more, and nonprofits are exempt. This will raise revenue to fund emergency rent relief and to build affordable housing. Let’s stand together against the wrong-headed policies of Trump and his extremist allies and vote YES on I.

San Francisco’s Democratic leaders ask you to vote YES on I.

Despite the best efforts of our Democratic leaders in Congress, Republicans in Washington DC have failed on the pandemic and the economy. As a result, we must take action here to protect those most in need. Many actions are necessary, and Prop I is an important part of the solution. It raises the transfer tax on properties valued at $10 million or more. Homeowners and small property owners will not pay more, and nonprofits are exempt. This will raise revenue to fund emergency rent relief and to build affordable housing. Let’s stand together against the wrong-headed policies of Trump and his extremist allies and vote YES on I.

135,000 San Franciscans have filed for unemployment. Help them by voting YES on I.

The numbers of San Franciscans who have been laid off, lost their small businesses, or have been unable to work due to coronavirus is shocking. And the impact is not equal, with people of color being hit the hardest. Those who can't work or who have lost work must use their savings for daily necessities, and many have been unable to pay all or some of their rent. Meanwhile, billionaire Jeff Bezos's net worth has grown by $75 billion during the pandemic. We must ask those with wealth to pay their fair share to help those in need. That's why San Francisco's labor unions strongly support Prop I. Please join us and vote YES.

Declaration Related to Proponent and Opponent Arguments

I attest under the penalty of perjury that I am an Author of the Proponent Argument for Proposition ___ being submitted and that I am not a Non-supporter of this measure. A Non-supporter is defined as a person who, with respect to a measure:

- Is a treasurer, officer, or member of a committee that has made or plans to make expenditures in opposition to the measure;
- Has received or been promised any compensation or thing of value from such a committee to perform consulting services for that committee; or
- Has authorized their name or likeness to appear on campaign literature or in advertising that advocates for the defeat of the measure.

I attest under the penalty of perjury that I am an Author of the Opponent Argument for Proposition ___ being submitted and that I am not a Supporter of this measure. A Supporter is defined as a person who with respect to a measure:

- Is a treasurer, officer, or member of a committee that has made or plans to make expenditures in support of the measure;
135,000 San Franciscans have filed for unemployment. Help them by voting YES on I.

The numbers of San Franciscans who have been laid off, lost their small businesses, or have been unable to work due to coronavirus is shocking. And the impact is not equal, with people of color being hit the hardest. Those who can’t work or who have lost work must use their savings for daily necessities, and many have been unable to pay all or some of their rent. Meanwhile, billionaire Jeff Bezos’s net worth has grown by $75 billion during the pandemic. We must ask those with wealth to pay their fair share to help those in need. That’s why San Francisco’s labor unions strongly support Prop I. Please join us and vote YES.

Prop I is a fair solution for tenants who cannot pay their rent.

A resolution passed at the Board of Supervisors prioritizes new revenue from Prop I to fund emergency rent relief for tenants who cannot pay their rent due to coronavirus. This is an important additional protection to the current eviction ban. Mounting debt will harm tenants ability to get credit to pay for daily necessities. It also makes tenants vulnerable to efforts by landlords to leverage them to leave their apartment. At the same time, small landlords who have not received rental payments also benefit, as they will receive up to 50% of the lost rent. We strongly recommend a YES vote on Proposition I.

Other special formatting is not permitted. Include author information in argument text.

Prop I will help small landlords. Homeowners will not be impacted. Please vote YES.

Big real estate corporations are going to try to scare homeowners and small property owners about Prop I. Don't buy the lies. Prop I only raises the transfer tax on sales of properties worth $10 MILLION OR MORE. And in fact, small landlords will benefit from the funding provided by this measure, which will help tenants pay rent debt — to the small landlord(s) who have lost rental income. This is a win-win for all of us. Please vote YES on I.

Prop I will help small landlords. Homeowners will not be impacted. Please vote YES.

Big real estate corporations are going to try to scare homeowners and small property owners about Prop I. Don’t buy the lies. Prop I only raises the transfer tax on sales of properties worth $10 MILLION OR MORE. And in fact, small landlords will benefit from the funding provided by this measure, which will help tenants pay rent debt — to the small landlords who have lost rental income. This is a win-win for all of us. Please vote YES on I.

Frontline healthcare workers need affordable housing. Please vote YES on I.

Our workers put their lives on the line to care for the thousands of San Franciscans who have tested positive for coronavirus. Some have paid a high price, being exposed to the virus themselves. At the same time, despite their hard work, many can’t afford to live in San Francisco because of the high costs of housing. Prop I will bring more funding to construct permanently affordable housing to keep our frontline healthcare and emergency workers living in the city. Please vote YES on I.
