Argument in Favor of Measure RR

Vote Yes on Measure RR to prevent traffic congestion and save Caltrain, a vital lifeline for our City.

Caltrain is an essential part of the Bay Area’s transportation network, but we're at risk of losing it due to COVID-19.

This pandemic won’t last forever and traffic will return. Imagine how much worse it will be without Caltrain keeping millions of cars off our roads every year.

Measure RR will save Caltrain from shutdown, and will improve the system, providing faster and more frequent trains, better connections to BART and Muni, thousands of good-paying jobs and cleaner, quieter trains to reduce noise and air pollution.

Transportation studies indicate that Measure RR’s improvements would put the equivalent of two lanes of traffic on Caltrain instead of our highways.

Strict fiscal accountability — including oversight and annual public audits — will ensure that every penny of Measure RR is spent as promised. Legally, all funds must support the Caltrain system within San Francisco, San Mateo and Santa Clara counties — nothing can be taken by the State or used for any other purpose.

Vote Yes on RR — Prevent Traffic, Reduce Pollution, Save Caltrain
- Prevent traffic congestion
- Ease traffic on Highways 101 and 280
- Reduce air and noise pollution with cleaner and quieter electric trains
- Create local jobs
- Improve Caltrain connections with BART and Muni
- Make fares more equitable and increase diversity of ridership
- Reduce travel times
- Increase rider and pedestrian safety
- Prepare Caltrain to expand service to Downtown San Francisco

As the Bay Area recovers from the pandemic and people get back to work, traffic congestion will return. Let's make sure we don't lose a vital lifeline and affordable transit alternative in the process. Vote Yes on RR.
