This attempt to recall me is unjustified. Arguments made by the proponents are false. I was clear throughout 2020 and 2021 that I wanted schools open as soon as safely possible for students and staff because of mental health concerns. I was also very supportive of the community hubs initiative, playing a crucial role in getting a hub opened in Visitation Valley.

My focus before and during this pandemic has been on increasing enrollment, fiscal responsibility, and improving learning and services for students, families, and staff. Specifically, I have authored resolutions to:

- Increase enrollment, by opening an enrollment center in southeast San Francisco
- Upgrade transportation and mental health services that will save \$30 million over the next five years
- Increase learning opportunities for Pacific Islander students, including the first Samoan language immersion program
- Build housing to retain teachers.

I believe I am an effective legislator and am honored to be the first Pacific Islander ever elected to office in San Francisco.
