My occupation is COMMUNITY ORGANIZATION

My qualifications are:

Keep Text Within the Vertical Lines

I am a recent student trustee emeritus, sexual health educator, and social justice advocate.

While serving on the San Francisco City College Board, I dissented against unsound budgets which recycled the same ineffective strategies that further marginalized students and college employees of color. I worked with student leaders and labor unions across the state to fight corporate interests and protect access to public education.

As a child of Chinese-Vietnamese refugees, born and raised in San Francisco, I understand the critical role educational institutions play in Black, brown and Asian communities that face linguistic, cultural and transgenerational oppressive barriers to accessing socio-economic opportunities.

My education in public health has helped me understand that communities of color have lived in a pandemic of health disparities that preceded COVID-19. City College provides intersectional access to community, social services, and socio-economic opportunities. City College helped my parents learn English, obtain citizenship and employment, and it helped me—a queer, Asian-American—heal from transgenerational violence, sexual trauma and emerge with a passion for expanding access to public education. I am running because I know education is medicine.
