The names of candidates appear on the official ballot in traditional Chinese characters as well as in English. The California Secretary of State provides Chinese transliterations for candidates running for state and federal offices.

Check one option:

Rev 06/20/22
I am a lifelong learner and educator and served as a classroom teacher, prison educator, former School Board President and adjunct professor – a teacher of future educators. I believe our public schools can uplift every one of our students. My experience will inspire and inform my work on the San Francisco Board of Education.

A first-generation Mexican-American and English Language Learner, I grew up in public schools. I know what it’s like to have parents who overcame language barriers and poverty to support their children’s learning. I am on the ground with our students, teachers and families everyday, working tirelessly to meet their needs. When the COVID pandemic began, I worked to ensure our city’s children were fed and had the technology they needed to continue their learning.

I feel I have a moral responsibility to represent all students, especially low-income immigrant students, who like me, consistently face barriers advocating for a quality education. Our families have been disheartened by the state of public schools. It is our duty to affirm their children’s education and well-being are the district’s top priorities.

My other priorities include:

- Increasing School Funding and Resources
- Improving Special Education Supports
- Expanded Math, Reading and Science Opportunities
- Investing in College Preparation
