	<p><b>The San Francisco Democratic Party says NO on Proposition I</b></p> <p>The consensus measure backed by the Mayor and Board of Supervisors is the result of nearly two years of public process and the participation of over 10,000 San Franciscans to reach a compromise plan for our City's parks. Now just one person, Dede Wilsey, is spending big money to overturn that carefully-reached consensus plan and turn the safe and carefree oasis into a dangerous traffic-clogged artery in the heart of Golden Gate Park.</p> <p>Prop I would block the City's longstanding <i>Ocean Beach Climate Change Adaptation Plan</i> to prevent the Westside's critical sewage treatment infrastructure from falling into the sea and to protect and revitalize Ocean Beach from the effects of climate change-induced sea level rise and coastal erosion. Canceling our climate change plan now will put our critical infrastructure at risk and will cost taxpayers \$80 million additional dollars.</p> <p>With 5,000 parking spaces inside Golden Gate Park, the City's 21-measure park accessibility program, and free accessible shuttle service on JFK Promenade seven days a week, we know the park welcomes everyone no matter how they choose to travel.</p> <p>Reject Dede Wilsey's big money politics. 	<p>On behalf of the many seniors and people with disabilities who use and love car-free space, we urge you to <b>vote NO on Proposition I and do not take away the safe, accessible space that we need.</b></p> <p>For many seniors and people with disabilities, getting around in San Francisco can feel like gambling for our lives. We know we are the most at-risk people in our city in terms of being hit or killed while simply crossing the street. Many of us don't drive or own cars. And let's just say that using a wheelchair, mobility scooter, or walker on most sidewalks isn't exactly relaxing.</p> <p>But finally, as a silver lining in the horrific pandemic, there are some places we can go in our city where we are truly safe, and can stroll or roll without fear of traffic, and be part of things. Proposition I would take these spaces away.</p> <p>We've seen many good changes happening to make Golden Gate Park friendlier and more accessible for seniors and people with disabilities. The free shuttle service is much improved and now connects to transit, there are more benches for resting, a huge new ADA lot by the museums, and more. <b>We need this safe, accessible space for all, so please don't take it away from us and vote NO on Proposition I!</b></p> <p>Signed by Ruth Malone and Albert Ward on behalf of seniors and people with disabilities in support of JFK Promenade</p>

	<p>On behalf of the many seniors and people with disabilities who use and love car-free space, we urge you to <b>vote NO on Proposition I and do not take away the safe, accessible space that we need.</b></p> <p>For many seniors and people with disabilities, getting around in San Francisco can feel like gambling for our lives. We know we are the most at-risk people in our city in terms of being hit or killed while simply crossing the street. Many of us don't drive or own cars. And let's just say that using a wheelchair, mobility scooter, or walker on most sidewalks isn't exactly relaxing.</p> <p>But finally, as a silver lining in the horrific pandemic, there are some places we can go in our city where we are truly safe, and can stroll or roll without fear of traffic, and be part of things. Proposition I would take these spaces away.</p> <p>We've seen many good changes happening to make Golden Gate Park friendlier and more accessible for seniors and people with disabilities. The free shuttle service is much improved and now connects to transit, there are more benches for resting, a huge new ADA lot by the museums, and more. <b>We need this safe, accessible space for all, so please don't take it away from us and vote NO on Proposition I!</b></p> <p>Signed by Ruth Malone and Albert Ward on behalf of seniors and people with disabilities in support of JFK Promenade</p>
