| | <p>Disability Advocates are Against Proposition J</p> <p>Don't we all have the right to visit Golden Gate Park?</p> <p>Prop J prevents over 80,000 people with disabilities from accessing what those who can easily walk and bike can enjoy. Prop J is not only unfair, but also discriminatory.</p> <p>Like everyone else, it is important for persons with disabilities to enjoy the outdoors. Many are now prevented from visiting Golden Gate Park due to weather or a lack of public transportation. We lost 1,000 free parking spaces, including many nearby ADA spaces, with the closure of JFK Drive. Many of the park's institutions offer free or discounted programming for people with disabilities that we can no longer access. Most persons with disabilities don't have the luxury of walking or biking to the park. The closure of JFK Drive means only some San Franciscans can enjoy Golden Gate Park. We lost 1,000 free parking spaces, including many nearby ADA spaces, with the closure of JFK Drive. Many of the park's institutions offer free or discounted programming for people with disabilities that we can no longer access. Most persons with disabilities don't have the luxury of walking or biking to the park. The closure of JFK Drive means only some San Franciscans can enjoy Golden Gate Park. We are excluded. | | <p>Prop J is not Fair or Kind</p> <p>At times when we get caught up in the politics of everything, it is easy to forget that sharing and kindness is our most important duty. Saint Francis, who our beautiful city is named after, embodies just that – peace, kindness, sharing and love. We must remember this fight is not about cars versus bicycles but about sharing our park with everyone. Unfortunately, Prop J excludes seniors, people with disabilities, families with children and many others from enjoying the most beautiful parts of our city.</p> <p>By voting No on Prop J we are giving back the opportunity for those who can't currently visit the park to do so again. Residents with disabilities will be able park at one of the 1,000 free parking spaces and head into the de Young Museum with ease. Families can bring their children to a picnic and then visit the Japanese Tea Garden. Families from the Bayview can throw a birthday party for their kids. Seniors can go to the Conservatory of flowers and roam the grounds.</p> <p>This is about fairness and Prop J is not fair. Vote no to restore kindness.</p> <p>Reverend Glenda Hope</p> | |

The closure of JFK Drive takes away access to Golden Gate Park from communities of color and working families. It creates hardship for those who live in the eastern and southern parts of the city. The closure makes Golden Gate Park only accessible to those who live around the park or who have certain means and opportunities instead of to all of us. Communities of color are being completely isolated and told that they are not welcome in certain areas of the park. It's unacceptable that San Francisco would support policies that exclude entire populations of people and closing JFK Drive does exactly that. Many residents are now forced to take multiple buses across town to reach the park and enjoy the City's museums and cultural institutions that are supposed to be for everyone. Many Black residents live in places in the city where public transportation to Golden Gate Park is not only challenging – it's not possible. | | <p>Black Leaders Want Equal Park Access for our Communities.</p> <p>Golden Gate Park should belong to all San Francisco residents. The closure of JFK Drive takes away access to Golden Gate Park from communities of color and working families. It creates hardship for those who live in the eastern and southern parts of the city. The closure makes Golden Gate Park only accessible to those who live around the park or who have certain means and opportunities instead of to all of us. Communities of color are being completely isolated and told that they are not welcome in certain areas of the park. It's unacceptable that San Francisco would support policies that exclude entire populations of people and closing JFK Drive does exactly that. Many residents are now forced to take multiple buses across town to reach the park and enjoy the City's museums and cultural institutions that are supposed to be for everyone. Many Black residents live in places in the city where public transportation to Golden Gate Park is not only challenging – it's not possible. We urge you to stop perpetuating the inaccessibility and inequality that the closing of JFK Drive presents. Vote No on Prop J.</p> <p>Maurice Rivers, OMI Cultural Participation Project Executive Director Gloria Berry, San Francisco Democratic County Central Committee Member Adrienne Simms, SF Firefighter Shanell Williams, CCSF Board of Trustees</p> | |

| | <p>Firefighters will Vote No on Prop J Prop J is dangerous and irresponsible. Closing JFK Drive and allowing kids and adults to roam free on it makes it extremely difficult for firefighters to do their job, especially in situations where seconds are crucial between life and death. Prop J has also caused increased traffic congestion in residential roads. This has created unsafe conditions in our neighborhoods. In order for firefighters and other emergency vehicles to get through, we need a clear and straightforward route with minimal traffic. While the premise of Prop J is well-intentioned, the potential consequences make it an easy decision to vote NO. Firefighters need to respond quickly in an emergency – the last thing we need is to be burdened by unnecessary traffic that impacts our ability to do our jobs. Vote No on Prop J. Reopening JFK Drive makes San Francisco safer.</p> <p>Adrienne Simms, SF Fire Fighter</p> | |
