	<p>We proudly serve as appointed members of the San Francisco Library Commission and urge you to renew the Library Preservation Fund. Known as the best public library system in the country, the SFPL provides all SF citizens—young and old -- with free and equal access to information, knowledge, independent learning, lectures and discussions, and the joys of reading for our diverse community. The Library Preservation Fund allowed us to expand and support 27 neighborhood branches, keep libraries open seven days a week, and provide the city's largest free WIFI with over 1,000 free computer stations. It supports a staff of caring and knowledgeable librarians at every location, who expand literacy and learning support, and help residents find jobs and learn new skills. The renewal of the Library Preservation Fund -- which will not raise any taxes -- is essential to provide stable funding to ensure the diversity of needs and interests of our communities are fully met now and in the future.
