	<p>Seniors for Inclusion</p> <p>The closures have made it impossible for many seniors to visit Golden Gate Park and its museums and other attractions. Vote Yes on Prop I to ensure JFK Drive and the Great Highway are accessible to all.</p> <p>Closing JFK Drive and the Great Highway has shut out many seniors, many of whom must rely on cars to get around. Many can't use public transportation or don't have access to reliable public transportation, cannot walk long distances, and cannot ride bicycles.</p> <p>The Great Highway is an essential access route needed by emergency responders. It's also the fastest way for senior veterans to reach the VA Hospital. Seniors need the Great Highway to be open 24/7.</p> <p>The closure of JFK Drive has eliminated nearly 1,000 free parking spaces in Golden Gate Park, including dozens of ADA parking spaces nearby the most popular attractions. The car ban hurts seniors and makes Golden Gate Park far less accessible to them. For example, it's impossible for many older San Franciscans to get to the Dahlia Dell, Rose Garden, Conservatory of Flowers and Winter Lights shows when the road is closed all the time. The car ban isn't right or fair.</p> <p>While being outdoors is critical for everyone, it's especially essential for seniors. Research shows that spending time in green, outdoor spaces greatly improves seniors' health and wellbeing. It is already challenging for seniors to live and thrive in San Francisco. Many live in apartments and depend on our open spaces for recreation.</p> <p>Prop I will restore access to Golden Gate Park to everyone, especially seniors who need it most. On behalf of San Francisco's seniors, we urge you to vote Yes on I.</p> <p>Anni Chung, Self-Help for the Elderly John L. 	<p>Our Museums Need Access To Survive</p> <p>We must recognize that the closing of JFK Drive is hurting the disabled community, seniors, and young families. It also negatively impacts many of the cultural institutions inside of Golden Gate Park, such as the de Young Museum.</p> <p>The closures of JFK Drive and other park roads has resulted in the removal of nearly 1,000 public parking spaces, including hundreds closest to the de Young. Amongst those are dozens of ADA spaces that were used by our visitors with disabilities. These were the closest free ADA parking spaces to the de Young entrance. The road closure has also barred access from the park entrance at 8th Ave and Fulton Drive, making drop-offs and pick-ups extremely difficult. The closure of JFK Drive and elimination of these parking spaces has created a hardship for many visitors trying to access the de Young.</p> <p>The de Young proudly offers free admission and discounted membership to people with disabilities. We offer a variety of tailored programming that serves people with varying disabilities, for example, programs for veterans, individuals with dementia, and those with vision impairments. With limited access to the museum, people with disabilities have struggled to get here and take part in these unique and very valuable programs.</p> <p>Those living in Bayview, Mission Bay, Bernal Heights, and on the city's outskirts having limited and difficult transit connections deserve to access these attractions equally, and with ease. The removal of nearly 1,000 free public parking spaces makes access extremely challenging for both San Franciscans and the many visitors to our city. The closure of JFK Drive and loss of essential parking is deeply damaging to our cultural institutions, as they suffer with low attendance and a long road to recovery post-pandemic.</p> <p>Corporation of the Fine Arts Museums Access Advisory Support Group of the Fine Arts Museums of San Francisco</p>

	<p>Our Museums Need Access To Survive</p> <p>We must recognize that the closing of JFK Drive is hurting the disabled community, seniors, and young families. It also negatively impacts many of the cultural institutions inside of Golden Gate Park, such as the de Young Museum.</p> <p>The closures of JFK Drive and other park roads has resulted in the removal of nearly 1,000 public parking spaces, including hundreds closest to the de Young. Amongst those are dozens of ADA spaces that were used by our visitors with disabilities. These were the closest free ADA parking spaces to the de Young entrance. The road closure has also barred access from the park entrance at 8th Ave and Fulton Drive, making drop-offs and pick-ups extremely difficult. The closure of JFK Drive and elimination of these parking spaces has created a hardship for many visitors trying to access the de Young.</p> <p>The de Young proudly offers free admission and discounted membership to people with disabilities. We offer a variety of tailored programming that serves people with varying disabilities, for example, programs for veterans, individuals with dementia, and those with vision impairments. With limited access to the museum, people with disabilities have struggled to get here and take part in these unique and very valuable programs.</p> <p>Those living in Bayview, Mission Bay, Bernal Heights, and on the city's outskirts having limited and difficult transit connections deserve to access these attractions equally, and with ease. The removal of nearly 1,000 free public parking spaces makes access extremely challenging for both San Franciscans and the many visitors to our city. The closure of JFK Drive and loss of essential parking is deeply damaging to our cultural institutions, as they suffer with low attendance and a long road to recovery post-pandemic.</p> <p>Corporation of the Fine Arts Museums Access Advisory Support Group of the Fine Arts Museums of San Francisco</p>

Unfortunately, closing the roadway during the week when most people are either working or at school did not result in a successful outcome.</p> <p>If our decision makers and pro-Closure advocates took the time to truly assess the impact of their decision, they'd discover the public having less accessibility to the DeYoung Museum, Academy of Sciences, Conservatory, etc. (during the week when they need people to attend) and locals limited to navigating increased traffic on Highway 1/Crossover Drive in order to "get through the park" while a low number of people access JFK Drive.</p> <p>JFK Drive is a roadway. The public, specifically walkers, that are able to enjoy the park during the week, stay on the safe and green-lined sidewalks while cyclists (who already have a dedicated lane) and very few skaters use the wide open roadway. The JFK Drive closure primarily benefits cyclists.</p> <p>The low number of people accessing JFK Drive during the week no longer warrant its closure at the expense of the greater number of people who would utilize the roadway – for multiple reasons. It's all about respect for locals as they age and become less capable of getting around, and needing canes, walkers and wheelchairs. It's all about respect for the elderly and persons with disabilities.</p> <p>Making the city more accessible should be the goal, not limiting access. Preventing that access is disrespectful.</p> <p>Our City is no longer for everyone — is only for the young, athletic, and those who can ride bicycles. <p>Yes on I for Access, Inclusion, and Fairness</p> <p>During the pandemic, the City closed JFK Drive to cars 24/7, promising it was a temporary measure that would end when the shelter-in-place order expired. That decision effectively closed much of Golden Gate Park to many residents and visitors. The City has reopened and is returning to normal, yet the ban remains. It has an exclusionary impact on thousands who deserve access.</p> <p>There is no compassion in the decision to keep JFK Drive closed. It makes access impossible for people with disabilities, seniors, working families and communities of color who live far from Golden Gate Park. Everyone deserves to experience the beauty, respite and joy that Golden Gate Park has to offer. Everyone should be able to see the flowers at the Dahlia Dell, walk through the Rose Garden, and reflect at the AIDS Memorial Grove.</p> <p>It's time to balance the needs of all San Francisco residents and visitors and provide Access for All. 	<p>Open the Great Highway</p> <p>Prop I will restore access to the 20,000 drivers who used the Great Highway every day before closing during the Covid-19 pandemic. The Great Highway served as an essential route for those living in San Francisco, especially those in the Sunset and Richmond districts commuting between the North and South bay, not just for work but to take their children to school, attend doctor's appointments, and visit family.</p> <p>The Great Highway is a major arterial roadway necessary for emergency responders. It is also essential for veterans needing to access the VA Hospital.</p> <p>Now that businesses and schools have reopened, maintaining car access to the Great Highway is critical. The Great Highway closure has significantly hindered the surrounding neighborhoods as traffic congestion has increased the risk of accidents and turned quiet streets into unsafe, high-traffic roads.</p> <p>Additionally, the Great Highway already has plenty of bike paths and walkways for people to enjoy. Those unable to walk long distances or ride a bike are excluded from the Great Highway, its beaches, and the zoo.</p> <p>The City is proposing keeping the current closure of the Great Highway till 2025 while looking into plans for permanent closure. They are not considering the impact on workers, families, and neighbors who need this road to stay open.</p> <p>We must pass Prop I to return and maintain access to the 20,000 San Franciscans who rely on the Great Highway for their daily activities and help make surrounding residential streets safer for children and families.</p> <p><u>- Open THE Great Highway, Vin Boulton, FOUNDER</u></p>

Permanent closure to cars removes nearly 1,000 parking spaces and makes access difficult for some, impossible for others. An expensive, hard-to-navigate parking garage nearly half-mile away is no solution.</p> <p>While cars have been banned on Sundays since the 1960s, city government has yet to provide disabled parking solutions on JFK. Don't trust them to do it now after 50 years of failure! While healthy seniors are merely inconvenienced, access is terrible in many places for elders with walkers or canes (walking up to 2,500 feet), with zero wheelchair access nearby.</p> <p>Our neighborhood association is 111-years old, but SFMTA couldn't be bothered to consult with us before permanently banning cars and increasing congestion and accidents on our nearby neighborhood streets, including cut-through traffic. Removing parking also means more cars driving around looking for spaces on neighborhood streets.</p> <p>Sure, effectively banning the disabled from portions of Golden Gate Park benefits some. My concern is shared by many who simply choose to identify or sympathize with those who, for whatever reason, simply do not grasp the genuine and sincere need to provide access to all as we share a great community resource.</p> <p>Equally wrong is the removal of parking places and access by emergency vehicles to hospitals and emergency rooms that are part of the area encompassing the neighborhoods adjoining Golden Gate Park.</p> <p>Access through The Great Highway is also critical for emergency access and for our veterans who use the VA Hospital. Working families need this highway to get to and from work. The closure has pushed 20,000 cars who rely on this major roadway into small residential streets.</p> <p>This should not be a divisive issue. Permanent closure is an affront to our democratic principles and must not continue.</p> <p>These closed roads, limiting access to public areas, snarling traffic and degrading living conditions must now be reopened.</p> <p>The Great Highway is a major throughfare that is now closed from Fridays to Monday mornings and on holidays, forcing thousands of motorists onto nearby quiet neighborhoods. Speeding cars spew greenhouse gasses in stop and go traffic, access to nearby small businesses and job sites is limited, commute times are increased, and emergency vehicles do not have life-saving access. Currently people must drive miles out of their way to attend to daily activities and business, endure horrendous traffic congestion and fashion new routes that are dangerous for motorists and pedestrians.</p> <p>Additionally, Golden Gate Park has been walled off from people who must rely on motor vehicles for transportation. People with disabilities, the elderly, families with infants and young children, and others are denied access to large areas of the park, including the DeYoung Museum, the Academy of Sciences, the Conservatory of Flowers and the Rose Garden. One-thousand parking spaces that ensure access for all have been removed. B	VOTE YES ON PROPOSITION I – It's Inclusive.	25
	Proposition I stands for Inclusivity!	15
	It's the intelligent proposal for the use of our Great Highway and JFK Drive by EVERYONE!	14
	We need a common sense approach to the use of our beautiful landmark Golden Gate Park and the Beach and Prop I is that solution.	14
	The roadways everywhere in our City are maintained from the gas tax from every gallon of gas we purchase. Skateboards and bicycles pay zero for upkeep of these roadways. We welcome the latter to enjoy them, but not to the exclusion of the vast majority who drive motor vehicles and "pay the freight" to maintain the roads and highways.	15
	Prop I is the right solution. Don't close our great park and beach highway off to exclude the elderly, mobility-limited and motoring public.	14
	John McLaren envisioned Golden Gate Park for the use of all, not some.	12
BI	Support the common sense approach and Vote YES on I, the intelligent, inclusive solution.	13
