## **Ballot Argument Control Sheet A**

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an electronic copy of your ballot argument text within 24 hours after submission to the Department at <u>publications@sfgov.org</u>.

B, <i>I</i> , <i>BI</i>	Cancel the 2023 elections? Seriously?	
	Failing politicians around the world scheme to extend their hold on power by challenging, canceling, nullifying or postponing elections. It's one of the most jaw-dropping hallmarks of a tyrannical, undemocratic regime. Despots justify their refusal to transition power to the next duly elected government official.	por mio
	Trump tried this in 2020. We've seen this fiasco before.	
	In this past June 2022 election, the propagandists said the recall of Chesa Boudin was the end of Democracy. That Chesa earned four years in office, they said, wait for the elections! Now the same people want to cancel the 2023 elections entirely. Hypocrisy!	
	Corrupt tyrants, Putin and other terrorist-linked regimes cancel elections. Insurrectionists prevent legitimate elections.	
	The author of this horrendous, undemocratic power-grab is Dean Preston, himself a colossal failure as supervisor (city councilman) who ignored the role of drugs and mental illness in San Francisco's homelessness crisis. He wants to funnel more taxpayer money into wasteful projects and contracts that pay off for his Democratic Socialists for America movement — that's why he wants to extend the term of his allies in office, and boost radical left turnout in the next election for Mayor and District Attorney. This is the stuff corrupt banana republic, 3rd world military-rule dictators are famous for. Vote NO on Proposition H.
