We urge you to support Prop I to bring back the compromise that has existed for decades – JFK Drive opened to cars on weekdays with protected bike and pedestrian lanes, and closed on Sundays, some Saturdays, and holidays. This compromise came about for a reason – it's the best way we can protect open space for all, ensure access to Golden Gate Park, and support families, seniors and persons with disabilities. Both roads have safety measures for bicyclists and pedestrians with extensive protected bike paths and walkways. The Great Highway had more than 20,000 commuters daily before its closure. Where are those drivers supposed to go? The closure has pushed vehicle traffic onto small, residential streets not intended for thousands of vehicles a day, creating congestion and unsafe conditions. The City does not need to close any part of the Great Highway to respond to coastal erosion, and closure costs us far more in traffic delays, congestion and air pollution. Restoring these streets to pre-pandemic conditions and returning the Great Highway back to its intended use will make surrounding streets safer, and return access to people with disabilities, families, and seniors so that everyone can enjoy the park and can commute safely. 	<p>Everyone deserves access to the park. Permanent closure of these disabilities and families to access. We urge you to support Prop I to b. decades – JFK Drive opened to cars, pedestrian lanes, and closed on Sunday. This compromise came about for a reason open space for all, ensure access to Golden Gate seniors and persons with disabilities. Both roads have safety measures for bicyclists and protected bike paths and walkways. The Great Highway had more than 20,000 commuters daily its closure. Where are those drivers supposed to go? The closure has pushed vehicle traffic onto small, residential streets not intended for thousands of vehicles a day, creating congestion and unsafe conditions. The City does not need to close any part of the Great Highway to respond to coastal erosion, and closure costs us far more in traffic delays, congestion and air pollution. Restoring these streets to pre-pandemic conditions and returning the Great Highway back to its intended use will make surrounding streets safer, and return access to people with disabilities, families, and seniors so that everyone can enjoy the park and can commute safely.
