Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Consent Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an electronic copy of your ballot argument text within 24 hours after submission to the Department at [publications@sfgov.org](mailto:publications@sfgov.org).

<b>Format</b> <b>B, I, BI</b>	<div>← Keep Text Within the Vertical Lines →</div> <div><p><b>Support Proposition N for Improved Accessibility and Reduced Traffic Congestion in Golden Gate Park</b></p><p>Proposition N will support improved accessibility to Golden Gate Park for people who depend on driving by giving the City more flexibility over the management and parking rates in Golden Gate Park Music Concourse parking garage.</p><p>As it stands now, the parking garage under Golden Gate Park’s Music Concourse isn’t fully meeting the public’s needs. The price of parking is set at high rates while the garage sits vacant throughout most of the year.</p><p><b>Why Proposition N is on the Ballot</b></p><p>Proposition N allows the City to spend public dollars on the garage which creates flexibility in management, setting parking rates, and helps the City achieve policy priorities including improving access for visitors who rely on cars to enjoy Golden Gate Park. The City could spend funds on the Garage to achieve policy goals including but not limited to:</p><ul style="list-style-type: none"><li>• Subsidized parking for visitors with disabilities</li><li>• Subsidized parking for low-income visitors</li><li>• Optimized pricing to meet financial obligations while ensuring the Garage remains affordable for visitors</li></ul><p>Proposition N would also allow for improved parking management and more flexible pricing. These changes would help ensure parking spots are readily available and affordable, and thereby reduce congestion in the garage and on our streets. Additionally, better management and flexible pricing will help to pay down the outstanding debt from the garage’s construction.</p><p>I urge you to vote Yes on Proposition N for improved Accessibility and Reduced Traffic Congestion in Golden Gate Park.</p><p>Mayor London Breed</p></div> <div><b># of words per line</b></div>
