Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Control Sheet Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an email 24 hours after submission to the Department at publications@sfgov.org.

	Note No on O, the bailout (again) for City College	
	San Franciscans have repeatedly been asked to tax themselves to save City College from terrible fiscal mismanagement and oversight. We ' ve given them the resources and the funding, but City College still can ' t manage their finances or turn their organization around.	
	Now, City College is back, asking residents for significantly more money at a time where small businesses, tenants, and homeowners are struggling to recover financially from the pandemic.	
	City College is laying off faculty and cutting classes, but they still want every apartment dweller to pay a per-unit fee of \$75, more than what it costs for many residents to enroll in the College itself.	
	It ' s time that the citizens of San Francisco stop approving blank-check funding for a failing organization. It ' s time that the citizens stop approving slush-fund spending without accountability.	
	Vote No on O.	
	City College needs to show San Franciscans that it can manage its finances and its spending before we give them millions of extra dollars in funding.
