

Ballot Argument Control Sheet A

Control Sheet A must be submitted for every ballot argument, with required signatures and author information. If your argument has more than one author, you must also submit Control Sheet B with required signatures and information for all additional authors.

For an argument submitted on behalf of an organization, the "Individual" section must also be completed by a principal officer of the organization who must be a registered San Francisco voter.

If an argument states that an individual or organization other than the author supports or opposes the ballot measure, or agrees with or endorses the argument, a completed and signed Control Form is required.

Facilitate typesetting, and reduce the possibility of transcription error by sending an e-mail 24 hours after submission to the Department at publications@sfgov.org.

We need to support health and recovery for San Franciscans during this time of the Covid - 19 Crisis. But this flawed Proposition A financing scheme is a bad deal for San Francisco.

Proposition A is a risky gamble. The office of the Controller projected that if the proposed \$487.5 million in bonds are issued and sold, the total cost in interest and principal will be \$960 million.

Where is that money going? The Mayor has budgeted the following:

- \$16.5M for Emergency Communications
- \$184.9M for Health Operations
- \$61.8M for Food Security and Human Resources
- \$182.9M for Housing

Why are we borrowing more funds to support services that have been budgeted for expenditures from the General Fund?

There is **no financial accountability** included in Proposition A, such as the Citizens Oversight Committee used in prior funding measures.

Let's build community, not debt. The City simply cannot afford more debt in addition to the unfunded pension liability for the thousands of retired city workers. **Vote NO for Proposition A.**
