About the Ballot Simplification Committee

The Ballot Simplification Committee prepares a summary (or "digest") of each local ballot measure. The digest, which is intended to inform voters about a proposed measure in a fair and impartial manner, is printed in the City's Voter Information Pamphlet and mailed to every registered voter in advance of the election. The digest must explain the primary purposes and points of the measure, but is not required to include auxiliary or subsidiary information.

Each digest must include the following four sections:

- *"The Way It Is Now"*
- *"The Proposal"*
- *"A 'Yes' Vote Means"*
- *"A 'No' Vote Means"*

In general, each digest is limited to 300 words. Digests may exceed the 300-word limit if the Committee determines that the complexity or scope of the proposed measure requires a longer digest. In addition, digests must be written as close as possible to the eighth-grade reading level.

The Ballot Simplification Committee also assists the Director of Elections in preparing other informational material for the Voter Information Pamphlet, such as a glossary of the terms that appear in the pamphlet.
